RALPH HEATHCOTE

Players on the Indiana Harbor Works Baseball Team have been pictured in recent issues of the BULLETIN. This month the BULLETIN presents Ralph Heathcote, manager of the team and known as the "Connie Mack" of the Harbor baseball aggregation.

Ralph has been with the Company since 1926. He started in working at the Tin Mills and later transferred to the Police Department. He was born in Ithaca, New York, went to school in Bradford, Pa., and spent most of his spare time playing baseball at Clarksburg, W. Va.

While playing with Clarksburg, he had the good fortune to have Jimmy Groninger, Coach of West Virginia University, as a tutor. He later played ball with several Semi-Pro teams among which were Scottsdale, Pa., and the Morgantown, W. Va., Independents.

Ralph is taking his team to Youngstown on Labor Day to play the Campbell Works team as a special attraction at Idora Park.

The visit was made possible through the kind cooperation of Mr. Frank Purnell, President of the Company, and Mr. J. L. Mauthe, General Superintendent of Campbell Works; and Mr. J. E. Dally, District Manager at Indiana Harbor Works.

In Memoriam

DR. CLIFFORD C. ROBINSON

The many friends of Doctor Robinson were shocked to hear of his death on July 12. Doctor Robinson had been connected with the Indiana Harbor Works of our company, as Chief Surgeon, since 1916. He had a host of friends among the employees of the Indiana Harbor Works and will be missed by the entire community.

Doctor Robinson was born in Waukarusa, Indiana, and was 57 years of age at the time of his death. He received his medical degree at the University of Michigan. He had practiced in Indiana Harbor since 1903.

For a number of years he was a member of the Lake County Tuberculosis Sanitarium Board of Governors and at one time was its chairman. He resigned this position recently to devote his time to his large practice. He served as a member of the staff of the St. Catherine's Hospital, Indiana Harbor, since 1928, and made two trips to Europe for advanced studies in surgery at Vienna and Paris.

Doctor Robinson is survived by his widow, two sons, Chester and Richard, and his Mother.

How was the swimming, boys? Left to right are Paul Dewey, Robert Hiers, Reggie Graham, Bill Kinade, Glen Clippinger, and Buddy Fry. Paul Benkovich is kneeling. Buddy Fry is the son of Dave Fry, an Open Hearth first helper. This photo was taken at Camp Wright, on the Tippecanoe River, Rochester, Ind., just after swimming. These boys reported a splendid time at camp. Buddy is a graduate of Roosevelt High of East Chicago, Ind. He is an ardent student of auto mechanics. "Bring me your motor troubles," says Buddy, "Motor trouble is fun to me."

The surroundings in this picture confirm his love of the great outdoors. His Dad claims Jim is a crack shot with a rifle and wild animals have very little time to enjoy life after Jim starts his aim.

Definition of Men

Men are what women marry. They are divided into three classes: Husbands, Bachelors, and Widowers.

A bachelor is a man whose mind is filled with obstinacy and whose soul is filled with suspicion.

Husbands are of three varieties: Prizes, surprises and consolation prizes.

Making a husband out of a man is one of the highest arts known to civilization. It requires science, patience, persistence, faith, hope and charity.

If you flatter a man, you frighten him to death; if you don't you bore him to death. If you permit him to make love to you, he gets tired of you in the end, and if you don't, he gets tired of you in the beginning. If you believe all he tells you, then he thinks you are foolish; and if you don't, then he thinks

you are a cynic.

If you wear gay colors, rouge and a startling hat, he hesitates to take you out. If you wear a little brown turban and a tailor-made suit, he takes you out and stures all evening at a woman in gay colors, rouge and a startling hat.

If you join the gaieties and approve of his smoking and drinking, he says you are driving him to destruction; if you don't approve, he vows that you are snobbish.

If you are the clinging vine type, he doubts whether you have any brains, and if you are a modern, advanced and intelligent woman, he doubts whether you have a heart. If you are silly, he longs for a bright mate, and if you are intelligent and brilliant, he longs for a playmate.

Most men are like worms in the grass; they wriggle around awhile — then some chicken grabs them.

Cleavenger, Jim Cooney, Chas Chester, Sr., Walter Landergran, Byron Boyd, Max Bryant, Chas Chester, Jr., Charles Crossman, Al Skibbie, Joe Collyard, Joe Graff and Vince Matlak.

The entire Mechanical Department expresses their sympathy to Michael Shea on the recent loss of his wife, who passed away after a lingering illness.

MARKTOWN ON THE PARTY LINE

By Jessie Stewart

The Mark Cubs entertained their mothers at a special Mother's Day program on May 6 at the Community House. Nineteen mothers were present. The program began the same as the mothers' careers as bringer-uppers, with a few "I do's" or in other words, a mock wedding.

Next a peek in on the happy pair some twelve years later with their two Cubs. Also mother songs and recitations. After the entertainment each Club escorted his mother to a beautifully decorated table, where a place card and a rose marked her particular place, and served her refreshments.

The Cubs held their final meeting of the season on May 27. A number of the boys will attend Camp Wright on the Tippecanoe River this summer.

Well, after all these years someone from Mark finally won the Indiana Theater Bank Night. The lucky person was Mrs. Dave Fry and the amount was the handsome sum of \$500.

Our sympathy is extended to Mrs. John Trainor, whose sister died in May. Mrs. Trainor went to Lima, Ohio, to attend the funeral.

Mrs. William Horr has gone to Lincoln, Neb., for six weeks where she will visit her sister. Mrs. Horr has had a long, lingering illness and we sincerely hope that these six weeks will bring her back to health.

We were sorry to hear about Leo Heimerl breaking his ankle while working on his front porch.

Carl Mitchellree was very much surprised (oh, yeah?) when a gang called on him to celebrate his birthday. From all reports the party was a huge success.

Mrs. John McDaniel's has been visiting in Union City and Troy, Tenn., for the past month.

Mr. and Mrs. Arch Wilson visited for ten days in Sault Ste. Marie.

Our congratulations to Lorraine McCuskey, who has just been graduated from St. Catherine's Hospital.

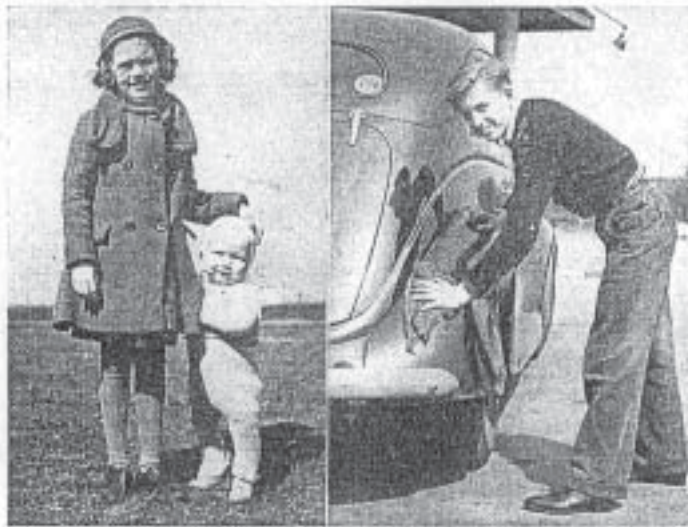

Catherine (Shirley Temple) Holzbach was out on the street roller skating the other night and fell, spraining her ankle. From what we can learn Andy wasn't so hot at bandaging because he did not follow the directions of "Doc" Solvester.

Wishing

"I wish I had enough money to buy an elephant."

"Why d'you want an elephant?"

"I don't; I want the money."

Part of the Hazel family is shown here. Left is Patsy Hazel and her baby brother, John Ryan. "The tin you love to touch" is demonstrated on the right by Towmy Hazel. They are the children of Mr. and Mrs. John F. Hazel and reside at 421 Spring St., Sub-division. "Frank", as "Papa" Hazel is known, is a Stock Foreman in the Open Hearth Dept. He came from Canada, Sault, St. Marie, Sept. 19, 1919, to accept a job as Labor Foreman at the Bessemer Dept., then located at the South Chicago Works. He transferred to Indiana Harbor Works Sept. 30, 1921, and has worked in the Bessemer and Open Hearth Departments since. "Frank" and his family are well-known and well-liked by their neighbors in the Sub-division.

What Is Success

It's doing your job the best you can,

And being just to your fellow man;

Not making money, but holding friends,

And staying true to your aims and ends.

It's figuring how and learning why,

And looking forward and thinking high,

And dreaming little and doing much;

It's keeping always in closest touch

With what is finest in word and deed;

It's daring blithely the field of chance

While making of labor a brave romance.

It's going onward despite defeat And fighting staunchly, but keeping sweet.

It's being clean and it's playing fair,

It's laughing lightly at Dame Despair,

It's looking up at the stars above, And drinking deeply of life and love.

It's struggling on with the will to win,

But taking loss with a cheerful grin.

It's sharing sorrow, and work and mirth,

And making better this good old earth.

It's serving, striving through strain and stress,

It's doing your noblest—that's Success.

The P. T. A. Banquet was given June 11 at the United Presbyterian Church and was considered by those who attended a very successful affair. Harry Hartman acted as toastmaster and introduced several distinguished speakers, including J. E. Dally, District Manager of the Youngstown Sheet and Tube Co.; A. C. Senour, Asst. Supt. of the East Chicago schools; and Milt Wyson, representative of the Conservation department of the state of Indiana.

Mr. Senour congratulated Mrs. James Albaugh, President of the P. T. A., upon her splendid work performed during the year. Mrs. Harry Hartman sang several beautiful solos. She was accompanied at the piano by Mrs. Van R. Gerkin. Others who appeared on the program included Frank Bergen, Reese Lloyd and Loman Klingensmith.

Vacation Bible School is being held in the Recreation Building every Tuesday and Friday mornings from 10 to 12.

Our deepest sympathy is extended to Bill Rohl, whose mother died in June; to Cyrus Higgins, whose brother died; to Mrs. Fick, whose father passed away; and to Omar Glass, whose brother George, a former resident of Marktown, died a month ago.

Jessie Small, daughter of Mr. and Mrs. Thomas Small, and Stephen Balog, of Whiting, were married in the Sacred Heart Church Rectory June 24. They spent a ten day honeymoon in the East. Jessie was given two wonderful showers; one by Mrs. E. Rodman, and one by her two sisters, Anna and Helen Small. At both showers she received a number of beautiful and useful gifts. We all wish Jessie and Steve much happiness and success.

Mary Ellen Rodman celebrated her 12th birthday with a party June 7.

We are very glad to see Jim Fry make such rapid progress after his operation, which just goes to prove you can't keep a good man down.

Also glad to know that Frankie Pollok's leg is getting better.

It must have been quite a sight to have seen Larry Hunt scampering around the neighborhood trying to catch his youngsters' white rabbit. After 15 minutes of feverish activity on the part of both Larry and the rabbit, the bunny still being at large. Then ten of the kids closed in on it and the chase was finally over.

Walter Hardwick and his daughter, Esther, are visiting Bob Hardwick in Texas.

Congratulations to Ray Shy, who was married to Martha Darrow of Indiana Harbor on June 18.

Betty Luther spent two weeks

at the Girl Scout Leaders Regional Training Camp at Camp Pottawatomie Hills, Elkhorn, Wis., during June.

Mrs. Wm. Griffin went to Springfield, Ill., June 12 to see her brother ordained into the priesthood.

We are delighted to see Mrs. Lynch, mother of Mrs. Bob Burd, out again. Grandma Lynch had suffered a severe heart attack.

Mr. and Mrs. Harry Krane are proud to announce the birth of a 7-pound baby boy June 25. Mrs. Krane was formerly Gertrude McKenzie.

Mrs. W. W. Wail has gone to Florida for her health and we sincerely hope when she returns she will be completely recovered.

We were sorry to hear that Margaret Winegard has been quite ill and we are all pulling for her to be back in harness shortly.

We have always felt sorry for the golf widows but at present our sympathy goes out to the poor horseshoe widows on Prospect St.

We have one of the finest baseball fields in the Calumet District and, to match the field, a very fine ball team. Why not come out and support the team.

The people who rent the garages should keep the doors closed even though the car is not in it. When such carelessness is practiced, other cars could be damaged and besides it spoils the looks of the building. Please be a little more considerate.

Happiness is a perfume you cannot pour on others without getting a few drops on yourself.

No matter how much or how little looks you are endowed with, you are better looking when you smile.

MORAL — IF YOU HAVE TO DRINK — LEAVE THE CAR IN THE GARAGE

When Charles Fick, Inspection Dept. employer, reads a book at home he likes comfort. And here we have Charlie "at ease" in his home.

Here are the horseshoe addicts of Marktown: Charlie Stewart, George Halabach, Bill Dell and Dan Paskin. Too bad Dave and Jimmy White are missing.

MARKTOWN ON THE PARTY LINE

By Jessie Stewart

A Real Surprise Party!

All of Marktown's Cubs and their mothers had a surprise party for Mrs. Anne Draine for her birthday on March 10. Several mothers served home-made cakes, (which were masterpieces) ice cream and pop. The guest of honor was presented with a beautiful dubonet taffeta hostess gown.

Several short speeches were made and Mr. A. Sanbrook, scout executive, played his guitar in accompaniment for the songs. Mrs. Draine was very much surprised. She never dreamed the Cubs would turn the tables and have a party for her but they wanted to show their appreciation for all she has done for them. Many Happy Returns, Mrs. Draine and may you continue your good work in helping to keep Cub Pack No. 1 the finest pack in Northern Indiana.

The Cubs also presented their Cub-master, Fred Paulson, with a good-looking shirt, in appreciation of his able leadership.

Harold Small had a lovely birthday party on his fifth birthday, March 12.

After a year of inactivity, the Boy Scouts have started to hold regular meetings again under the able direction of Warren Lepley, their new Scoutmaster.

Mrs. Horr of Prospect Street has been in St. Catherine's Hospital for observation. We sincerely hope that she will soon be well again.

The Girl Scouts were at Winter Camp over the week end of March 12, and had a grand time. They gave a splendid entertainment at the April meeting of the PTA. They also were extremely successful in their cookie sale April 9.

Edward Brooks of Wheeling, W. Va., brother of Mrs. Charles Fick, has been visiting in the Marks home for several weeks.

Dickie Sylvester celebrated his fourth birthday Feb. 24 with a party for his boy friends, and March 7 Coletta Sylvester celebrated her fifth birthday with a party for her girl friends.

Both Sandra Barnett and Dorothy Vandervort are on the sick list.

The initial dance held by the Dramatic Club, March 19, was a huge success.

We are glad to hear that Helen Crane Bogenheimer is recovering nicely from her major operation.

Charlie McArdle of the Electrical Test Department is pictured here. This picture was taken in front of his home in Mark Subdivision.

"School Days, School Days" ... Remember the fun? Here we have some of the school children in the subdivision as photographed by Photographer Walter Barris. We are glad to know that Mrs. Ritter is recovering nicely from her appendectomy.

The Boy Scouts held a Hard Time Dance at the Scout Hut in East Chicago on April 23. Mrs. Warren Leply won first prize for the ladies and Bob Hiers won first prize for the men.

We are extremely sorry to learn that Mr. Alvin Skager will be laid up for several months with a broken kneecap.

Tommy Reid celebrated his birthday April 18 with a nice party.

We are indeed happy to hear that Mrs. W. W. Wall is feeling fine again after many months of illness.

Our sympathy is extended to William Horr, whose brother died during April. Also to Carl Bohlin, whose brother disappeared in January and was found in April in a swamp in South Chicago.

Al Danner was kicking up his heels the other day and got a charley horse. Old age is creeping up, Al!

Annabelle Higgins entertained her girl friends on her birthday April 25. Annabelle was "sweet sixteen."

Mrs. John Kreiter is feeling much better now that she is minus her tonsils.

We've heard a lot regarding Bees' Knees and Housemaid's Knees but right now we're hearing Moore and Moore about dirty knees.

Red bricks to the right of us, red bricks to the left of us, red bricks all around us and they are giving the town a very neat and attractive appearance. Most everyone has worked to improve his lawn and it is a certainty that as the summer unfolds the results will be gratifying.

IN MEMORIAM

It is with sadness in our hearts that we record the death of Mrs. Michael Shea, who passed away April 27, 1938. Mrs. Shea was a good neighbor and a loyal friend. She had a gentle and fine nature and, above all, a stout heart which carried her through several very critical illnesses within the last few years, but even the stoutest of hearts must eventually weaken and to this cause her death has been attributed. Mrs. Shea will be sorely missed and will live long in our memories as a perfectly grand person to have known.

To Mike Shea and to Alice Killian, sister of Mrs. Shea, we extend our deepest sympathy. Your loss is our loss too.

Of course, if you're interested in the figure abstracting an almost perfect view of an almost perfect automobile—well, it's Thomas H. Hosty, Manager of Commissary and Subdivision. Tom was a bachelor until about two years ago, and since that time has built a beautiful home in Chicago's northwest side. An employee since 1925, Tom has won many friends by the obliging manner in which he conducts the work in his department.

Although we are a month late, congratulations are due Mr. and Mrs. Joseph Colley, of Chesterton, Ind., on the arrival of a fine 10-pound baby girl March 15, 1938. Her name is Etna Jaunita. Joe says she needed a hair cut. Jacqueline, aged four years, will now have plenty to keep her busy, helping take care of her new sister. How about a picture of this fine family, Joe?
