By Jessie Stewart

We are all glad to know that Mrs. Clarence Kearschner of 504 Liberty Street is getting along nicely since her major operation.

Hazel Hines broke her collarbone and Virginia Higgins received a severely sprained arm while ice skating.

Congratulations and best of luck to Violet Larson and Lloyd Shreve who were married in December!

Mrs. Horr is home from the hospital and slowly regaining her strength.

Our deepest sympathy is extended to Mrs. Harry Hartman for the loss of her mother.

The Girl Scouts were extremely busy during December. They sang Christmas Carols at the P. T. A. meeting, at the Christmas party given by Mrs. Reid Lewis for her Sunday School Class and through the streets of Mark on Dec. 23.

We understand that Lowell Collier is thinking quite seriously of starting a dancing class so he can teach others to do the Big Apple.

Mrs. Jack Sumner and children from Oklahoma are visiting Mrs. Sumner's parents, Mr and Mrs. Charles Healy of Prospect St.

We are sorry to hear that Mrs. Fick is not feeling so well.

We sincerely hope that Juanita Donaldson will soon be on the road to recovery.

THINK
BEFORE "U" ACT
Take Time To Be Safe

Work done as rapidly as is consistent with safety and efficiency is good work, but haste for haste's sake can make waste. The urge to get the job done is commendable, but not when real safety and efficiency are jeopardized.

Think it over—talk it over—

DON'T BE A RUMOR PEDDLER

You will always find a certain number of "rumor peddlers" in any group of people. In an industrial organization, as elsewhere, rumor peddlers can do a great deal of harm.

Rumor peddling can become a very dangerous and destructive practice. Rumor peddlers seem to be more interested in passing on discreditable gossip than they are in spreading tales of virtue. Broad-minded, liberal, and intelligent management policies may become twisted and inaccurately stated so that workers in the ranks get entirely the wrong impression.

At the same time, rumors among workers likewise may become twisted so that when they come to the ears of management an entirely wrong impression is obtained.

Really intelligent and judicious persons are careful not to accept gossip as fact. Neither do they help to keep alive false tidings by repeating gossip.

It is the responsibility of all of us to combat false impressions spread by rumor peddlers.

Our deepest sympathy is extended to George Johnson, whose mother died during January, and to Charlie Carroll, whose brother, Tom Carroll, a former resident of Marktown, died suddenly Jan. 21.

Latest reports indicate that the infected hand, which has been causing Mrs. Art Bruns so much trouble, is finally better again.

There is ice on the rink and ice on the street, but there is also a hunk of "ice" on the ring finger of the left hand of both Jessie Small and Irene Wilson. We offer best wishes to these altar-bound girls.

After keeping the neighbors in the dark since last summer as to the identity of John Henry, all mystery was dispelled when this much talked of gentleman made his call on Mrs. George Boyd during the holidays. Are we surprised at you, Mrs. Boyd!!

Otis Bruner was called back to Texas due to the serious illness of his mother.

Mrs. Walter Hardwick, who has been confined to her bed for two weeks with a bad case of flu, is feeling much better.

Mrs. Ed. Vasser is in St. Catherine's Hospital for a major operation and Mrs. W. W. Wall for treatment. We wish both rapid recovery.

It is with sadness that we report the departure of Mr. and Mrs. Richard Bardsley for Arizona on Jan. 20, due to the ill health of Mr. Bardsley. They left behind them many dear friends and took with them the well wishes of everyone. A farewell party was held for them Jan. 19 at the home of Mr. and Mrs. Fred Schmidt, by their most intimate friends.

Duane Setty, infant son of Mr. and Mrs. Setty of Prospect St., has been in the hospital for some time and we sincerely hope that he will soon be well again.

There is a Dramatic Club for the young people being formed in town and the members of the nominating committee are Bill Kinkade, Chairman; Walter Hunt, Elizabeth Weir and Viola Poskin. A regular meeting is held every Monday night and every Thursday night, with the exception of the second Thursday of the month, which is the night of the PTA meeting. Tap dancing will be taught to those who care to learn. We all very definitely hope that the Dramatic Club is a huge success.

WHEN DEMPSEY SAW A MILLION STARS

During the height of his ring career the only time Jack Dempsey was ever knocked out of the ring was on one occasion when he carelessly let down his guard for a moment.

Firpo, the Wild Bull of the Pampas, took advantage of that let down. He socked Jack so hard that Jack landed clear out of the ring.

The man in industry who removes or fails to make use of the guards with which is provided may get something even worse than a punch in the jaw.

Mrs. Byron E. Boyd, at this writing, is in Mercy Hospital with a serious throat infection. We all hope she has fully recovered by the time this Bulletin news goes to press.

**Mary Frances Heirs
Becomes Mrs. Fred Collins**

News of an interesting wedding that was solemnized in St. Patrick's church on Saturday morning, concerns the likeable Mary Frances Heirs and Fred Collins recently reached this office.

For the impressive ceremony the altars were banked with beautiful large yellow and white chrysanthemums at which the young couple stood to be married by Rev. James Connelly, who read the mass at nine o'clock before a group of well wishing friends and relatives of the couple.

The good looking bride appeared in a transparent velvet creation in a royal blue cut along princess lines with long sleeves and a high neckline. All of her accessories were smartly matched. The bride's hat was a becoming one to correspond with her dress and a veil gave it a flattering touch. White roses and sweet peas combined prettily with the bridal outfit.

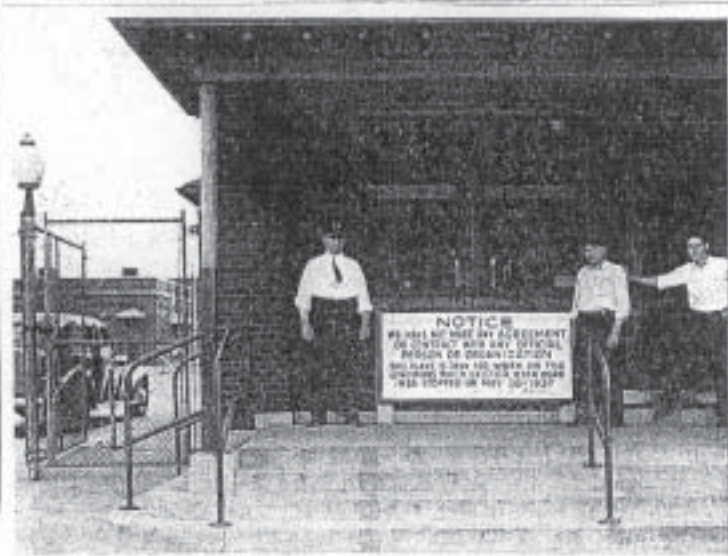

Her attendants, Florence and Dorothy Heirs, wore similar gowns, in dubonnet and autumn green. Head-dress consisted of tiny veils held by silver bands. To complete their outfits they carried bouquets of yellow chrysanthemums.

Joseph McGuinn, the bride's brother-in-law, served as usher, while Robert Heirs, Jr., the bride's brother, acted as best man.

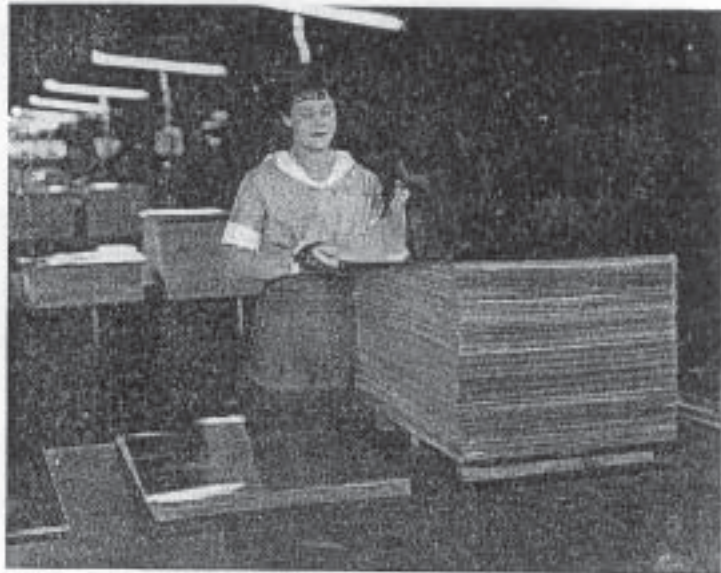

Following the impressive services members of the bridal party and immediate families enjoyed a wedding breakfast at the home of the groom's sister, Mrs. Joseph McGuinn, of Fir street. In the evening seventy-five guests came to the bride's parents home in 421 Lilac street, to congratulate the couple. In the receiving line was the bride's mother, gowned in green crepe with a sweet pea corsage, and the groom's mother, Mrs. Theresa Collins of Gary, who wore brown and a similar corsage.

Out of town guests present at the affair included Mesdames John Miller, Andrew Young, Fred Hartish, and Miss Anna Beason, all of Peru, Indiana.

In a few days the newlyweds will be at home to friends in an apartment they have taken in Beacon street.

DAD

A dad is just a family head
Who lives on mother's hash,
And spends his life at labor hard
So we can spend his cash;
He takes the daily grind of life
And never makes a fuss
Until a button leaves his shirt
And then how he can cuss
And yet down deep within our
hearts

We care a lot about him,
And know the simple truth is
this—

We could not do without him.

Here, in one of his lighter moments—one of those so familiarly known as moments of "broadening one's social contacts"—we have Bill Kinbade, young baseball playing son of Worth "Bud" Kinbade, No. 2 Lap Weld Furnace Welder. We've been unable to learn the identity of this very personable young lady, but suffice it to say that Bill and his friend certainly make a mighty attractive couple. It's interesting to note, in passing, that the past year saw Bill blossom out as one of the stars of the local Washington High School ball team. Nice going, Bill!

Pictured here is Miss Alice Rita Round, attractive daughter of Mr. and Mrs. Jimmie Round, who graduated from Bowen High School in June.

We wish to take this opportunity to thank our friends and neighbors for the beautiful flowers given at the death of our Mother and Grandmother, Mrs. Martha Frazier, who passed away at the home of her daughter, Mrs. W. H. McIntyre, on March 5th at the age of 77 years.

Mr. and Mrs. McIntyre
Mr. and Mrs. Parker
Mr. and Mrs. Cody.

Again our Cub Scouts have come through with flying colors. This time they entertained members and friends of the P. T. A. on March 4th. The Mark Hall was a make believe radio studio; namely, C-U-B-S. It was entitled "Amateur Nite." Each boy had a part. There were impersonations of Fred Allen and Portland, Jack Benny and Mary Livingston, Bob Burns was there with his Bazooka; Amos n' Andy, Ted Lewis; two brothers spoke pieces, another a recitation, "Just a Boy," which was very fitting; two minstrels, five boys as a Harmony Quint, two flag bearers and a Master of Ceremonies. The program was unique and enjoyed by all. It was written and directed by Mrs. Anne Draine, a scout Mother.

Congratulations to Albert Ambuehl, of Riley Road, who was married to Floy Winn of the Main Office on Saturday, March 13th.

We are glad Bob Charman has fully recovered from scarlet fever. We thought you were over those days, Bob.

Colette Sylvester had a delightful Birthday Party on her fourth Birthday, March 7th.

Fifteen Girl Scouts spent the week-end of March 20th at the Winter Camp for Girl Scouts. They reported they

had a grand time and were chaperoned by Lily Mae, Leona Bruins and Betty Luther.

We are all glad to know that Ethel Sylvester is well again after her major operation.

Mary Catherine Young and Inez Berg are once more amongst us, following a touch of the flu.

Mrs. Beda Lindberg and her daughters, Charlotte and Janet, spent an enjoyable week-end in Evanston as the guests of Rev. and Mrs. Sharp, former residents of the Harbor, and as dinner guests of the Harry Bergslien's.

Harry Boyd, one of the 200 bowlers of the bowling team, tried pretty hard to break the low score of 94 hung up by Hines, getting 117, then coming back with a 124 game.

This cartoon is self-explanatory to those associated with Frank Hines, Merchant Mill Inspector and Captain of the Inspection Department Bowling Team. For those who do not know of the circumstances, it goes like this: One Friday, March 12, Frank bowled a score of 94, represented by a tag on the dog's tail. This caused his team to lose the third game by a narrow margin. The dog house is where Frank was put after getting home in the wee small hours of the morning. The dog represents how Frank felt after his wife and the gang got through with him.

We are all glad to hear that Barbara Robey is much better after being in St. Catherine's Hospital with ear trouble.

Mildred Holland has opened a beauty parlor on Michigan Avenue in the Harbor over Harry Tarler's Shoe Store.

The ball field this year is a joy to behold. We wouldn't be afraid to bet it is the finest in the Calumet District. All we need now is a winning ball team to go with the field. Here's hoping George Taylor can give us one.

Congratulations, Cy and Ida Higgins! How does it feel to be grandparents?

Patsy Hazel and Rose Simons were quarantined with measles during April.

SIXTY YEARS AGO . . .

WHAT WOULD WE HAVE DONE without electric lights? Just what they did then, apply a match to a wick of a kerosene lamp or to the tip of a crude gas light.

WHAT WOULD WE HAVE DONE without the telephone? Just what they did then, walk across town to find out how grandma felt after her last spell of sciatica.

WHAT WOULD WE HAVE DONE without the automobile? Just what they did then, hitch up old Dobbin and jog along down to the station to meet Aunt Clara and the children.

WHAT WOULD WE HAVE DONE without the radio? Just what they did then, sit in the parlor with the old stereoscope and utter ahs and oes at Niagara Falls seen through glass prisms.

WHAT WOULD WE HAVE DONE without the airplane? Just what they did then, not even give the subject a second thought and dismiss it with a curt, "What, man fly? Never!"

Yet these are only five of the blessings of modern living. More are yet to come. We only need faith to follow the vision of our leaders to make the next sixty years even greater than the last.

A DOZEN SMILES

Smile—Every time you get a chance; it's the chance smile that wins.

Smile—If you're thin, laugh if you're fat, and, if you're neither, just grin.

Smile—at hard luck; the fates may think you like it and quit.

Smile—And never let the sun set on your troubles; sit on them yourself.

Smile—At the past and you can grin at the future.

Smile—When you're awake and you'll laugh in your sleep.

Smile—When you fail and you'll die laughing at your success.

Smile—When you're mad and try to frown when you're happy.

Smile—At a dime and it will look like a dollar.

Smile—If it kills you and you'll die with a grin on your face.

Smile—Every time you think of it and you will soon get the habit.

Smile—It's easier. Scientists have discovered it requires fewer facial muscles to actuate a smile than a frown.
