

Pictured above are scenes from the Marlborough picnic held at Ted Park July 4. Marlborough families had a happy time as the pictures above indicate. In the upper left corner is Duwain Setty, son of Mr. and Mrs. Howard Setty as he was snapped by the photographer while enjoying a restful period on the grass. In the next photo is shown Thomas Wier, after capturing the greased pig. Rommie and Larry, sons of Mr. and Mrs. Carl Mitchener, are shown in the next photograph in an unusual pose. Rommie and Larry in this picture show both extremes of childhood—a smile and a cry. The next photo might be titled "Little Man You've Had a Busy Day." It shows Baby Ladonna Bobbit resting on her father's shoulder. Papa Fred seems to be enjoying some other activity. The baby is the youngest granddaughter of Mr. and Mrs. William "Shorty" Rohl. Lower left shows the crowd gathered around Russell Healey, Master of Ceremonies. Next picture shows the start of the Men's Shoe Race. The photograph lower right shows the boys in ac-

tion during the Boy's Shoe Race.

MARKTOWN ON THE PARTY LINE

By Jessie Stewart

We are very glad to hear that Mrs. Omer Glass is speedily recovering from her major operation. Also Helen Moore who had her appendix removed August 13. And to Chris Aire, who had a major operation, we hope you will soon be back to work again.

Friends, neighbors lend me your ears:—What is this we hear about Jim Cooney treating the gals at the "Marktown Rendezvous" otherwise known as "Tommy's"??? Choose your weapons, boys! The duel is on between Frank and Frank—Ann don't choose Slim as a second—remember the good old double-cross. May the best man win.

Vacations

Mr. and Mrs. Harry Hartman and their daughter, Phyllis, visited Pike's Peak, Rocky Mountain National Park and other points of interest in Colorado.

Mr. and Mrs. Al Luther went to the Falls, on their second honeymoon, and visited points of interest in the east. They were particularly enthused about Boston—oh yeah!

Mr. and Mrs. Harry Aire are proud to announce the birth of a daughter, Martha Anne, on July 27. Congratulations!

George Hart is the new owner of the Marks Soft Ball Team and Russell Healy is the Manager. Mr. Hart has furnished the team with white jerseys and black silk caps. "Hart Aces" is on the front of the jerseys in black letters. Every effort will be made to have games of interest scheduled in Marks and the grounds of other teams. Let's all pull for the boys to go places.

We offer heartiest congratulations to George Reid who was married July 31.

The sympathy of the entire subdivision is extended to the family of John J. Memering, who died August 21.

The death of John J. Memering (above) on Sunday, August 21, was a severe shock to all his friends in the Mechanical Dept. On Friday, John was still at his duties as Blacksmith Foreman and feeling fine. However, on Sunday he became very ill and died within a few hours. The Mechanical Dept. wishes to express its sincere sympathy to his family. We will miss him greatly.

This is Margaret Hove, daughter of Mr. and Mrs. William Hove of Prospect St. Maggie is now in her third year of training at St. Catherine's Hospital.

Marjorie Elizabeth Mougton, age 20, daughter of Jerry Mougton, Siles Plant Weighmaster, is pictured above. Marjorie graduated from Washington High School with the Class of 1937, and entered St. Margaret's Hospital in February of 1938.

These two sweet little ladies are the daughters of Joe Colley of the Yard Dept. They are Jacquelin Hope, age 4 years, and Juanita Etna, age 5 months.

This is Mrs. Frank Hale and son Kenneth. Now we know what keeps Frank home nights. Frank is an employee in the Tin Mill.

Captain E. V. Ingram spent his vacation visiting friends and relatives in the old home state of Kentucky.

The young kindergarten teacher bowed effusively to a gentleman on a street car, then suddenly realized that he was a total stranger:

"Oh, I beg your pardon," she stammered, "I mistook you for the father of one of my children."

Holla Fred and Harry! Must have been cold when this photo was taken (notice the overcoats). For those who don't recognize these two gentlemen, they are Fred J. Galloway, left, and Harry H. Hartman, right. Harry is Assistant Property Agent for the Company Subdivision where he has been employed since Oct. 20, 1920. He is 43 years of age, has one daughter, and is most capable in filling the needs of employees who reside in the Subdivision. Fred and Harry are pre-wearily grey, but their smiles are typical of their attitude toward life, so their white hair does not reflect on their dispositions.

We understand Art Bruns is a great help to Mrs. Bruns. While she simonizes their car, he holds the can of simonize.

Four of our young men have returned to the fields of higher learning. Russell Schmidt has gone to Purdue for his junior year, Clarence Klosky to Notre Dame for his sophomore year, Richard Joyce for his second year at the Chicago Art School and Jimmy White for his first year at Indiana University.

Betty Hansen, who had to have 20 stitches in her hand and arm, as the result of an automobile accident, is getting along very well.

Mr. and Mrs. Louis Springsteen are proud to announce the birth of a baby girl born Sept. 19. Congratulations!

Dick Donaldson, who attended the Legion Convention in Boston, took one of his young son's shirts along by mistake. We certainly hope that Dick wasn't caught short.

John Helm, who was confined in St. Catherine's Hospital with a throat infection, is back to work again.

Irene Luttringer is flashing a sparkler on her left hand. When is the big event going to take place, Roney?

Elizabeth Weir is new Librarian at the Mark Branch Library. Now that we are heading towards the winter it might be a good idea to drop in and visit the Library. There are some excellent books to choose from and also magazines.

We offer sincerest congratulations and best wishes to June Anne Hunt and Theodore Skager, who were married Sept. 21st. Dorothy Hunt and Phillip Skager were attendants.

Fred Jay Back on Job After Wedding Trip

Fred W. Jay, Assistant Works Accountant, and Irene Phillips of Gary were married in the home of the bride's sister on Aug. 7.

Rev. Kenneth Cutler of the Glen Park Presbyterian Church of Gary read the service before a group of friends and relatives.

The bride has been a teacher in the Glen Park School for several years.

Mr. and Mrs. Jay left Gary soon after the ceremony on a honeymoon trip which took them through Michigan and Wisconsin.

They are making their home on W. 5th Avenue in Gary.

Fred came to this Company as Assistant Works Accountant from the American Sheet and Tin Plate Company of Gary in 1916. The Accounting Office was located across the tracks at the Coke Plant at the time he came here. Mr. Jay has seen this Plant

James entered the Illinois Races in Chicago, as the Calumet Region District Representative. However, young James lost out in the final competition there. He said he'll be in the running for the title next year.

Mr. and Mrs. Harry Draine are proud to announce the birth of a baby boy Sept. 28.

Also Mr. and Mrs. Edward Loftus whose baby boy was born Oct. 6 and Mr. and Mrs. Russell Constant, whose baby boy was born Oct. 7.

George Hart is back at work after his appendix operation.

Bob Sayger also expects to be back to work soon minus his appendix.

Mrs. Percy Wickenden submitted to her second gaitre operation in St. Catherine's Hospital on Oct. 21.

Mrs. Carl Mitchell and her two children have been in New Castle, Pa., for six weeks due to the serious illness of Mrs. Mitchell's mother.

Miss Martha Mitchell of Johnstown, Pa., was a visitor for five weeks at the home of Mr. and Mrs. C. M. Stewart this fall.

Grandma Boyd, who has been bedridden for the past four years, celebrated her 73rd birthday Oct. 18. The neighbors gave Mrs. Boyd a beautiful bouquet and a number of gifts.

We hear that Miss Smith, Mark school teacher, was feeling rather uncomfortable the other day as the result of being thrown from a horse the first time she attempted to ride. Maybe it is just as well that she was thrown for, if she had ridden a long time, she probably would have been more uncomfortable than she was!!

Left to right above are Lawrence Deiotte, helper, and John Lodney, motor inspector. Lodney is one of our old timers, having come to the Company in 1925. Deiotte has been in the Electrical Dept. since 1939.

We are sorry to report the sudden death of William C. Horr on June 28 from a heart attack. Mr. Horr was an employee in the Tin Plate Dept. for a number of years.

The Horr family take this occasion to acknowledge with grateful appreciation the thoughtful expressions of sympathy extended by their friends and neighbors.

Sonny Ritter is spending the summer in Bethlehem, Pa., with his grandparents.

Charlene Carroll is getting along well after her recent sojourn in St. Catherine's Hospital where she had her appendix removed.

Our sympathy is extended to Dan Poskin, whose oldest daughter of Canton, Ohio, was killed in an automobile accident June 28.

There were stork showers held in June for Mrs. Edward Loftus and Mrs. Charles M. Boyer.

We are glad to hear that Mrs. Brownlee's mother is around again after breaking her hip several months ago.

We wish George Johnson would live up to all the promises he made the girls when he got his new lower teeth. Cold feet, George?

Charlie Edwards certainly wastes a lot of good energy when he practices his golf shots in front of his barber shop (on the golf ball that isn't there).

Catherine Holzbach certainly walks off with the prize when it comes to locking herself out of her house. It's nothing for Catherine to show up at the Subdivision Office twice in one day to borrow her emergency key.

Bob Hiers returned from his vacation with a new kind of headgear—the result of trying to force his head through the top of the car when they got off the road. Bob had seven stitches taken in the top of his head.

Mrs. Marshall Setty is getting along nicely since her operation.

Larry Hunt's conception of a "very busy man" was experienced during the Convention in Chicago when he had the opportunity of shaking hands with Mr. Jim Farley. Before Larry had a chance to get a word in edgewise, the gentleman from Washington hollers out, "Who's next?"

Bill Wall not only spent his vacation in Florida, but to top it off he bought a new car, a Nash. Bill says that it is the only car worth his money and that is really saying something.

Papa and son—George Kurtz and his 3-year-old son Joel are great pals. Joel is an enthusiastic baseball fan and attends softball games with Mrs. Kurtz and brother Robert, age 5, to watch Daddy pitch for the Industrial Relations Softball team. George is a payroll leader and an old timer, having started with the Company in 1921.

This little fellow is Jimmie Sylvester, youngest child of Mr. and Mrs. Solly Sylvester. Solly is employed in the Tabulating Dept. at the Main Office, Indiana Harbor Works.

Eugene and Everett Donaldson (left) are sons of Mr. and Mrs. Dick Donaldson of Marktown. Looks like some real fishermen cleaned out the rivers in southern Illinois before the Donaldsons went on their vacation. Right is Dick Donaldson, conductor in Pipe Mill, who had the courage to have this snapshot taken. At least Dick didn't buy these to impress the boys back home. Whether he used them for bait later on, we wouldn't know.

Our sympathy is extended to Mrs. Dave White, whose mother died July 20.

Mrs. Marshall Setty is recovering nicely from her operation.

Mr. and Mrs. Charles Boyer announce the birth of a baby girl July 22.

Mrs. Charlie Chester's daughter, Joyce, fractured her leg when she fell off her bicycle. She will be laid up for six weeks.

Mr. and Mrs. Lester Boyd returned to their old home town, Elwood, Ind., to hear Mr. Willie's acceptance speech. Mrs. Boyd's nephew, Dick Lee Drake, of Elwood, visited several weeks in Mark.

We sincerely hope that Dave Pry is feeling much better now that he is home from his sojourn in the hospital.

Mr. and Mrs. Walter Hellgren, parents, and Mr. and Mrs. Oscar Hellgren, grandparents, wish to express their sincere thanks for the flowers and kindness shown during the death of six-year-old Donald Hellgren, who passed away Aug. 5. The department extends its sympathy.

Larry Hunt and family went to Detroit visiting relatives. Also travelled around the middle west spending the last week at Kootz Lake taking life easy.

Serious but very lovely is Patricia Ann Round, 26-month-old daughter of Jimmy and Mrs. Round. Jimmy has over 29 years service in the Coke Plant as By-Products Engineer and has never had an accident.

Bill Canan, Pipe Mill Foreman Retires after 21 Years Service

By Wilfred Haley

After 21 years service with the Company as Turn Foreman, Bill Canan, Lapweld Furnace, Pipe Mills, has retired. Bill left the job on June 15.

Prior to his service with our Company and with the Sheet and Tube Company of America—as this plant was known before The Youngstown Sheet and Tube Company purchased it in the

Mark Manufacturing Company of Zanesville), accepting the position which he held up to the time of his retirement.

A few years later, our Company acquired the Sheet and Tube Company of America from the Mark Manufacturing Company. In addition to the above details of his career, Bill stated that he spent two months with Jones and Laughlin at Woodlawn, Pa., and seven months with Allegheny Steel, Breckensridge, Pa.

Bill is married and has several married daughters. Furthermore, he is a proud grandfather. He and Mrs. Canan are planning to buy a one-acre farm somewhere in Southern Indiana, where they will plant various vegetables and lead a quiet life away from the bustling throngs of factories and cities.

We extend best wishes and congratulations to Jane Smith and Tommy Peterson who were married June 29 at the Presbyterian Church in Indiana Harbor. Desiree and Hazel Hines had a miscellaneous shower for Jane on June 26 at the home of Mr. and Mrs. George Boyd.

Mr. and Mrs. Lewis of Long Beach, Calif., parents of Mrs. Jim Graham, have been visiting the Grahams for the past month.

Mr. and Mrs. Harry Burd, parents of Bob Burd, and Mr. and Mrs. Charles Ramer, all of Uniontown, Pa., visited the Burds in June. Grandma Burd had an unfortunate accident in Chicago, when she fell and splintered the bones in her ankle. She will be laid up for a month. Mrs. Mary Lynch, mother of Mrs. Bob Burd, also of Uniontown, Pa., is visiting the Burds and is planning on spending the summer in Mark.

Mrs. Benjamin Barrett of Lilac St., who had a major operation performed at St. Catherine's Hospital, is home again and getting along splendidly.

Mrs. Miles Snyder's mother, from Johnson City, Ill., was a guest at the Snyder home for a month.

Bob (Duke) Hiers and Vivian Thorne of East Chicago were married on June 28. They were attended by Carol Collier and Paul Dewey. We offer our sincerest congratulations to Duke and his bride.

Mrs. W. W. Wall, who was in Florida since last October, has returned to her home in Mark and is feeling and looking very fine.

Everett Donaldson celebrated his seventh birthday June 22 with a party for his little boy friends.

Fred Donnersberger, the Smedley Butler of the Mechanical Dept., quickened the pulse of many a listener with his stirring address on army life and it's rumored various clubs are making an effort to book Fred for speaking engagements. By the way, Fred is sporting a sleek and shiny new Torpedo Pontiac and says it runs just as slick as it looks. Wahoo!

Singing is Hobby For Williams

By Lou Watter

For many years, singing has been the favorite pastime of W. D. Williams, Tool Room Keeper at Main Machine Shop.

Bill has had the distinction and experience of singing before the Chicago World's Fair of 1893 and again in 1933-34.

Bill has reached his 69th milestone and has been in the employ of the Company for the past 20 years. He was formerly connected with the Coke Plant as Blacksmith, and transferred to the Steel Plant Blacksmith Shop in February, 1938. Just recently he took up his new duties in the

Tool Room.

Bill was born in Australia and his talent as a singer carried him to many points. He appeared before audiences in London, England, when only 18 years of age, later coming to the United States where he sang with the Chicago Musical Apollo Club for eight years, the Chicago Welsh Male Chorus, the Celtic Quartet and appeared at the Chicago Auditorium. His voice has been heard over all Chicago radio stations.

Bill's zeal and interest in life increases with his years. His broad smile and good humor are always in evidence.

Esther White Writes Assorting Room News

Esther White sorts the news at Tin Mill Assorting Dept. She is Bulletin Correspondent in that department, where a large number of women as well as men are employed. The personnel cooperates with Esther to furnish interesting items for the Bulletin.

Esther has been with the Company six years. She is an efficient Assorter of Black Plate. She says her hobbies are "too numerous to mention." Roller skating and bowling are her favorite sports. She is good at both as observation and bowling records will indicate.

Esther was elected president of the newly organized Girls' Bowling League of 1939-40 season and was re-elected president for the 1940-41 season. She captained the White Sox bowling team which won first place the past season.

Ruth Taylor was very unfortunate for she was involved in an automobile accident while on her way West. Although Ruth luckily escaped injury, her mother was slightly hurt and was confined in the hospital at Knox, Ind., for a few days.

Sorry to hear Dave Pry, first helper, is laid up with a stomach ailment. At the present time Dave is at Mayo Brothers CHS for observation. The gang are all pulling for you Dave and hope you recover quickly and will be back with us soon.

Our sincerest sympathy is extended to Edsie Schneck, whose father died recently and to Chester Hoff, whose brother also passed away.

It's nice to see Ethel Sylvester and Madelyn Fellows up and around again after their sojourn in the hospital.

Chris Aire is in Hot Springs, Ark., for his health.

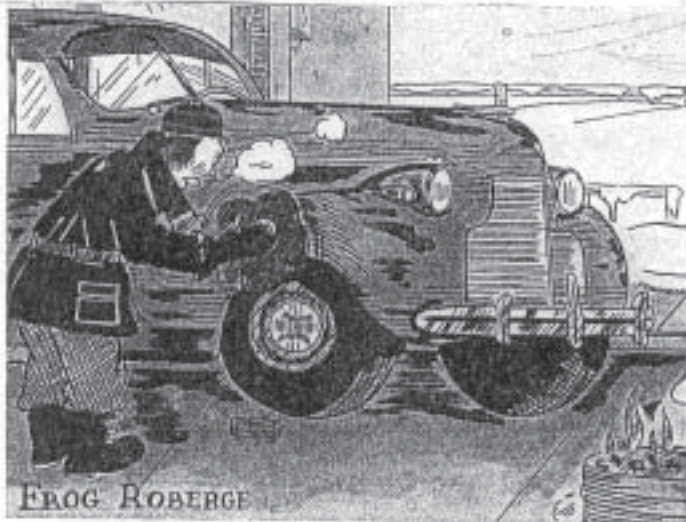

Mr. and Mrs. John M. Schaffer are the proud parents of a baby boy, Terry Merie, born April 11.

We wish a speedy return of health to Mrs. Jim Hane of Oak Ave. who has been quite ill for some time.

We are sorry to report the death of Mike Shea, one of the pioneers of Marktown, who passed away unexpectedly on April 14. The relatives of Mr. Shea wish to extend their gratitude for the tokens of sympathy from the friends and neighbors of the townsite.

Twelve of the older girls of "The Brownies" spent Friday night, April 19, at the Little house in East Chicago. Helen Winegard and Frances Scott were the chaperons. The younger girls were there for dinner on Saturday. From all reports, a perfectly grand time was had by all.

Eloise, daughter of Mrs. Hazel Haugh, celebrated her 10th birthday April 20 with a delightful party for seven of her little friends. The following poem was composed by Eloise for her school work:

Walter (Frenchy) Roberge, above, a crane-man in the Tin Mill, lives at 3020 Oak Ave., Marktown, with his wife, Alice, and son, Walter, Jr. It doesn't matter how cold or nasty the weather is, Frenchy is always out taking care of that new Chevy. Byrne's first job with the Company was junior clerk in the Accounting Dept. about 12½ years ago. He worked five years as a stenographer in the Mechanical Superintendent's office and today pursues his career as secretary in an efficient manner.

Byrne is married, has a son Eddie, 2 years old, and a daughter Mary Rita, 1 year old. The O'Malleys live in Whiting, Ind. His favorite hobbies are his family and reading worthwhile literature.

As a spectator he prefers to watch football, but to participate, he likes softball the best. He is a member of the Industrial Relations softball team in the A League and got a big thrill when the Industrial Relations team defeated the Tube Mill in the opening game this year.
