

We offer our best wishes to Esther Hardwick, who was married Dec. 23.

Mr. and Mrs. Jim Trainor celebrated their 25th wedding anniversary Jan. 11 at a dinner party at Lundgren's.

We are sorry to report that Mrs. Hunt is confined in St. Catherine's Hospital with severe burns on her feet.

Mrs. Al Danner is in the Methodist Hospital, Gary, because of a heart attack.

We hope the following on our sick list will soon be well again: Helen Small, Mary Jane Burd, Mrs. John Trainor and Mrs. J. Olson.

We are glad to see Jim Cooney out again after his sick spell.

William Rohl of Marktown is a Turn Foreman in the Rolling Mill Dept. About 21 years ago he was a stock man in the old 30-inch Skelp Mill. The Rohls have two sons, two daughters and three grandchildren. He is a great outdoor sportsman, featuring hunting.

Charles Carroll of Marktown is Tin Mill Electrical Dept. Foreman. Sixteen years ago he was a wireman in the Electrical Dept. If you want additional information from the Tin Mill, ask Charles. He has two sons and one daughter. Charles is eagerly awaiting baseball season.

In various parts of the Mill, you can hear people called mayor of Marktown. Some of them were: Jim Hanes of Steel Plant Machine Shop, Oscar Hellgrin of Steel Plant Rigger Shop, Larry Hunt of Accounting Dept., "Pop" Chester of Blast Furnace Mechanical, Fred Donnersberger of Open Hearth Mechanical; but all of these are impostors because Guy Robey received a letter with only the address of "Mr. Guy Robey, Mayor of Marktown", through the U. S. Mail.

Guy Robey started with the Company 12 years ago as a Machinist. Today he is Machine Shop Foreman in the Tin Mill. He hails from Wheeling, W. Va. The Robeys have a daughter, and live in Marktown. Guy says he has chosen his family as a hobby.

Benjamin Barrett, started in the Mechanical Power House 15 years ago. He is now a Pump Engineer. The Barretts live in Marktown and have a son and daughter. Ben is a stamp collector and follows baseball.

Glen Scott, Assistant Fire Inspector of the Fire Prevention Dept., started as a Patrolman in the Property Protection Dept. seven years ago. The Scotts have a son and daughter and live at Marktown. Glen enjoys the outdoor sports of hunting and fishing.

Roy Cornell has a new Dodge, and we are hoping he keeps it under 90 miles.

Photo shows W. (Harvey) Livingston in 1909. Harvey claims he is glad high collar days are a matter of history. He started with the Company 20 years ago as coal handling foreman. He is now a Turn Battery foreman at the Coke Plant ovens.

Mrs. Allene Roberts, formerly of Marktown, now living in Los Angeles, California. Mrs. Roberts is the mother of Cecil Roberts, who works at the Steel Side. With winter weather still here, we envy Mrs. Roberts in her short sleeved dress, enjoying California's fair weather. . . . Lower photo shows

The following joke is dedicated to Charles Chester and Joseph Donnersberger, of Steel Plant Machine Shop, who happen to be the daily army of commuters, of which the Tin Mill Mechanical snoopers is also a member.

Joe: "I always do my hardest work before breakfast."
 Charley: "What's that?"
 Joe: "Getting up."

Harry Callaway has been testing out that new 12 gauge pump gun Santa brought him for Christmas. So far, there have been no rabbit feasts in Marktown. Harry says the rabbits have not been on the square with him, they always start to run before he counts to ten.

John Sutton, congenial foreman of the Cut Pipe Dept., is not working at the present time, due to undergoing an emergency operation Jan. 24. We hope you will have a very speedy recovery, John, and you will be back in our midst before you can mention all the girls on Mr. Eddie Byrne's telephone list.

Art Bruns, 14-inch Merchant Mill heater, lives in Marks and has been associated with the Company since 1918.

Walter Holland has been in the Electrical Dept. organization since 1923. He is an expert on motors, having had service in all Steel Side Motor Rooms. The Hollands live in Marktown. Walter appreciates music and selects the best radio programs for enjoyment. He is a giant in stature, 6½ feet tall, weighing 235 pounds. Holland's hobbies are his home work bench and the reading of good electrical and mechanical magazines. Electrical and Mechanical equipment in his home are always in good repair owing to his interest in these fields. When vacation time comes you usually find the Hollands traveling to distant points. He is fond of the sports, baseball, football and basketball.

Caught in a Tap Room

Speaker: "I have lived in this town all my life. By actual count there are 55 tap-rooms and saloons in the town, and I am proud to say I have never been in one of them."

Voice: "Which one is that?"

Mr. and Mrs. Joe Patton are proud to announce the birth of a baby boy Feb. 5.

We are glad to report that Mrs. Dave Fry, who was confined to Methodist Hospital, Gary, for a major operation, is home again and well on the road to good health.

February found a number of our neighbors in the hospital. They were Mrs. George Southern, Mr. John Shaffer and Mr. Harold McGrath. We wish all three of them speedy recoveries.

Our deepest sympathy is extended to Charlie Lamance, whose father died in California during February. Also to Fred Schmidt, whose father died quite suddenly Feb. 9.

Congratulations and very best wishes to Bob Shy, who was married Feb. 3. Also Herbert Southern, who was married in February.

On Feb. 3rd, the mothers of our Cub Scouts sponsored a dance which was a grand success. There were four delicious cakes for the cake walk and six door prizes. An enjoyable evening was had by all.

On Feb. 7, during Boy Scout Week, our Cubs entertained the P. T. A. with a grand performance. The master of ceremonies gave a short welcoming speech followed by skits, recitations, piano solo, songs and group singing. Also a song to the hand that feeds us "Youngstown", written by Mrs. Harry Draine.

Feb. 16, these active Cubs gave Mr. Harry Hartman a surprise party for his 15 years as a Scouter. They entertained with a fitting program. Refreshments, including a specially decorated cake, were served. Mr. A. J. Sandbrook presented Mr. Hartman with a 15 year Scout service pin, following which the guest of honor made an interesting speech.

Mrs. Harry Draine was in charge of all three affairs and deserves a great deal of credit for her fine work with the Cubs.

"Skippy", the dog almost everyone in Mark knew and probably threw a T-bone to at some time or other in the past eight years, was run over and killed Feb. 21. His master was Billy Carroll.

There are many broad smiles around town lately since several of our citizens are sporting their "3rd" set of teeth. We need not look further for tooth-paste ads—we have them with us.

Mrs. George Hart vacationed in Florida during February.

We sincerely hope that good health will soon return to Mrs. Oscar Helgren, who has been a victim of pneumonia, and Mr. William De Armond, who has been suffering from rheumatism for some time.

THE POCKETBOOK of KNOWLEDGE by TOPPS

PROGRESS IN THE FACE OF DEPRESSION

IN 1920, THERE WERE 7,000,000 WASHING MACHINES IN THIS COUNTRY. TODAY, THERE ARE 13,481,180!

MORE THAN 1500 PATENTED INVENTIONS ARE INCORPORATED IN THE MODERN AUTOMOBILE—AN EVIDENCE OF INDUSTRY'S EFFORTS TO BUILD A CONSTANTLY BETTER PRODUCT

EARNINGS TAXES

Year	Earnings	Taxes
1926	100	4.6
1939	100	11.1

IN 1926 GOVERNMENT IN THE U.S. COLLECTED 4.6 CENTS FOR EACH DOLLAR EARNED BY CORPORATE ENTERPRISES—LATEST FIGURES SHOWED THE BURDEN HAD RISEN TO 11.1!

IN GERMANY, COFFEE IS RATIONED OUT TO THE PUBLIC—MANY STORES WILL SELL ONLY 1/4 POUND TO EACH CUSTOMER!

It won't be long now until bathing suits will be worn again. This photo was taken last year. It shows "Some Mark Town Children." Left to right are Bobby Hardwick, Dottie McCollom, Jane Hardwick, Marjorie Gillen and Marilyn McCollom.

Here's the picture-of-the-month. No, the man shown isn't a six-day bike rider. He's A. K. Danner, 18-inch cranesman in the Merchant Mill. Danner explains that he was giving the children of Marktown a few pointers. Look out, Danner, you demolish that tricycle.

Love Really Burns

At a banquet of firemen, the witty Irish chief proposed this toast: "To the ladies! They kindle the only flame which we cannot extinguish, and against which there is no insurance."

The man who never reads will never be read; he who never quotes will never be quoted; he who will not use the thoughts of other men's brains shows that he has no brains of his own.—Charles Spurgeon.

By Jessie Stewart

We were very happy to hear that Mr. and Mrs. Francis Steiner, Riley Road, became proud parents of a fine baby boy named Henry August, on Thanksgiving Day, but our happiness was soon changed to deepest sympathy because of the death of Mrs. Steiner on Dec. 6.

The P. T. A. sponsored a Christmas Party for all children of Marks up to and including 12 years old. Each child received a gift suitable for his or her age and the usual Christmas goodies. To Mrs. Betty, P. T. A. President, her officers and committees in charge of the party, sincerest thanks from the children and parents of Mark.

Cub Scouts also had a nice Christmas Party. They sang Carols and enjoyed the fun of a grab-bag.

Girls Scouts entertained the P. T. A. at their December meeting with a grand performance.

Marjorie West, niece of Mrs. Hazel Haugh, who made her home with Hazel in Marktown for the past year, was married Dec. 1, to Lawrence Lord of Muncie, Ind. We all wish Marjorie happiness.

Cub Scouts are planning their annual dance in February. We always have such a grand time at these dances, so let's all watch for the date to be posted later.

June Anne Hunt received her engagement ring from Ted Skager for Christmas. When is the big event going to take place?

We just bet that Mrs. George Simons was pleasantly surprised to find her turkey reposing peacefully in her own Frigidaire after visiting her neighbors in search of it.

We wonder if that electric train at the Higgins' home belongs to Buddy or Cy.

We hope everyone who has been on our sick list recently will find better health in 1940. Glancing over the sick list we see the following names: Mrs. Ralph Fellows, Mrs. John Rothman, Mrs. Willard Wenner, Dave Pry, Helen and Joyce Moore, Mariene and Dickie Schneck, Francis Draine and little Robert E. Clark. There are a number of quarantine signs sprinkled over the town and we sincerely hope that as the new year advances these signs will disappear completely.

Now that the hustle and bustle of the holidays are over for another year and we can breathe a little deeper, we bet our busy home-makers are already planning a new color scheme or just what the decorator will have to do during the spring house-cleaning.

New cars were much in evidence during the past month—Alex Stewart's Chevrolet, Gordon Dye's Packard, Bobby Burd's Hudson Coupe and French Roberge's Chevrolet.

We desire in this manner to extend our thanks to our many neighbors and friends for their beautiful floral offering and sympathetic understanding in the recent death of our mother and grandmother. — Mr. and Mrs. Ervin Lain and Family.

Times of great calamity and confusion have ever been productive of the greatest minds. The purest metal comes from the hottest furnace and the brightest lightning bolt shoots from the darkest storm.—Caleb C. Colton.

Above are pictures of the two older children of Mr. and Mrs. Ira Deiotte. Ira is an Electrical Dept. employee. Frances, age 17 years, a charming young lady, is a talented artist whose work is much in demand. Raymond, age 16, is near the 6 ft. mark in height and is an all around athlete. After seeing the pictures of these children, one can readily see why Ira is so proud of his family.

Larry Hunt of Pay Roll bowling team is shown in position to throw one of his favorite "back up" balls into the 1-2 pocket. Harold Wilson of the Weighers bowling team is securing his favorite hall to give the maples a shock; 170 Youngstown employees participate in this bowling competition each Friday night.

Christmas time brings joy and pleasure to some in great abundance. Ira Deiotte presented his family with a new Studebaker, of which they are justly proud.

Margaret Heidrick has returned, after spending the holiday season with her parents in Ironwood, Mich. She receives

This young lady is Larena Virginia Stoops, daughter of Mr. Ralph Stoops, Tin Mill Mechanical Pipe Shop. She was seven weeks old when this picture was taken. The dress she has on is her Christening dress. Her father is considered one of the old timers in the Dept., having worked here for about seven years. Ralph is just as proud of his daughter as we are of him.

Mr. and Mrs. William A. Haskins of the Mark Subdivision are shown here. This photo was taken at Aragon Ball Room, Chicago, when Bill was stepping out with friend wife. Bill started with the Company about six years ago as Millwright helper and is now working as a Machinist in the Coke Plant Mechanical crew. William's chief hobby is keeping his 1937 Chevy in good shape. Being a machinist is a big asset when the bus needs repairs. Bill enjoys baseball, boxing and wrestling.

Smiling Frank Hale and his son, Kenneth. What a team! They seem to be enjoying the comforts of home. Alberta Hale, Kenneth's mother, is a former Tin Mill Assorting Room employee. Frank works in the Tin Mill Shipping Dept. He enjoys bowling and can be found each Friday night competing in the plant league.

93

ADVICE FOR 1940

Use your eyes.
Use your ears;

Use your hands.

The BULLETIN cameraman photographed these employees near the Indiana Harbor Works Steel Plant Clockhouse. Top row, left to right, are: Thomas Baran, Agostina Mastronidi, Chester Sayer, Ed Slusser, former employee. Second row, Edward Dickerson, Rollie Heater, Harry Brown, Harry Sutton, Jr. Third row, Niles Tunberg, Alexander S. Jajawica, Casimir S. Szymanski. Fourth row, John J. Pollock, Mike Janos, Francis Broadhurst, Myles E. Vassar. Fifth row, Frank Gaskey, Frank Cwentana, Jr., Clem Richards, E. D. Vanness, Peter Dozet. Sixth row, E. Love, Sam Rolland, Adam J. Macock, Ralph Jackson, Fred Holiat. Seventh row, Nicholas Pannovich, Karl Lamprocht, Michael Bodnar, David

Girls' Christmas Party

The girls' Christmas party was held Dec. 14, at 6:30 p. m. at Lundgren's Fish House, Five Points, Whiting.

Tables were gaily decorated with green and white candle sticks. Also a green and white center piece of flowers adorned the head table. Place cards were fashioned on the same lines, favors were Christmas stockings filled with candy and nuts and topped with a candy cane.

The Mistress of Ceremonies, Roena Richardson, welcomed the girls and introduced new girls and the married girls who were back for the party.

Under the direction of Miss Julia Petro, the entertainment was superb. Jessie Stewart displayed her whistling talent by a solo. Recipe instructions for Love Cake and Frosting by Dorothy Porter. Sextette, Mary C. Young, Julia Petro, Ruth Janson, Libby Mattion, Inez Berg, Elizabeth Mattis, accompanied by Ruth Taylor sang "Silent Night", "Winter Wonderland" and "Santa Claus Is Coming to Town".

Flo Peterson and Isabelle Vargo gave a unique rendition of "Jingle Bells". A short skit, "The Night Before Christmas", was given by Inez Berg and Rosemary Heslin. A solo by Ethel Galvin Marshall, "A Heart That Is Free", "Believe Me If All Those Endearing Young Charms".

During the interval the girls exchanged gifts. Everyone had a good time and credit for such a grand party goes to Pauline Gauder, Chairman, and her capable committee: Roena Richardson, Margaret Heidrick, Hazel Haugh, Helen Rader, Estelle Evans and Sophie Sredin.

The Humphrey's at home! The above picture of Mr. and Mrs. John Humphrey was taken at Christmas time. Looks like you had a good Christmas, John. John is a Biller Inventory Clerk, working with the Merchant Mill Providers.

Ted Skagger surprised the boys this Christmas and slipped a diamond over Miss June Ann Hunt's finger. June, you know, is one of Larry Hunt's beautiful daughters. Nice going, Ted. When is the eventful day?

By Jessie Stewart

Congratulations and best wishes to Mr. and Mrs. Leo Bolin upon the arrival of a baby boy, named Michael Leonard.

Mrs. Bill Wall is wintering in Florida. We hope she will be completely recovered when she returns.

The Warren Lepley's spent a late vacation in Iowa.

The Boy Scouts held a successful dance Oct. 24 to raise funds toward buying uniforms

The P. T. A. held a Hallowe'en dance on Oct. 28. The proceeds will go towards the Christmas Party they are planning for the children of Marks, up to and including 12 years of age. Come on everybody, let's help make this a grand party.

We are glad to receive such nice reports about our boys who have entered C. C. C. Camps—Robert Dettlerline and Charles Dewey.

If the pastel colors, which are being tried on some of our houses, are satisfactory, our little town may want its name changed to the "Colony Beautiful" or "Hollywood".

Our Cub Scouts enjoyed a Hallowe'en Party on Oct. 27. Some very original costumes were displayed. After the prizes were awarded the boys played games and sang songs. Several mothers were on hand to help serve.

We are glad to report that Ralph Fellows is recovering from pneumonia.

Mrs. John F. Wagner (Calamity Jane) of Johnstown, Pa., was the guest of the Stewart family on Prospect St. for several weeks. "Pot's Open" was the call to poker every night.

Congratulations to Mrs. George Hart, who was appointed District Conductress of the Rebecca Lodge.

Helen Moore is in Paxton, Ill., where she will spend six weeks in an effort to get rid of her sinus trouble.

Mrs. George Boyd had a major operation performed Oct. 30. We wish you a speedy recovery, Anne.

The Hallowe'en Party held Oct. 31 and sponsored by the Recreation Dept. was a huge success.

Mrs. Solly Sylvester wishes to take this opportunity to express her gratitude to her friends and neighbors for the many kind expressions of sympathy received at the death of her mother.

Mr. and Mrs. John Olson spent a late vacation in southern Illinois.

Come on kiddies, don't wait until the night before Christmas to be good. Better start now.

This picture shows part of Supt. George Abel's office at the Rolling Mill and his aids who do everything possible to keep the wheels turning for Safety, Cleanliness, and Operation, and are doing a good job. In the photo, left to right, are L. H. Washburn, Asst. Supt. Skelp Mills; B. R. Kerner, Superintendent's Clerk; J. M. Mitchell, Asst. Supt., Bloom, Billet, Bar Mills; F. C. Bowdly, Turn Foreman; C. C. Haß, Schedule Clerk, and E. J. Schneck, Asst. Schedule Clerk.

Bob Burrell Has Plenty of Mechanical Background

Bob Burrell of Marks, Assistant Mechanical Foreman in the Tin Mill Hot Strip Dept., has what we might call—a "unanimous" mechanical background.

Bob was born Jan. 7, 1896, the youngest of a family of nine boys. Seven brothers matured and all seven followed in the footsteps of their father by entering the mechanical trades. The father, Robert, Sr. had a 50 year continuous service record with the American Steel and Wire Company of Cleveland, Ohio. Forty-five years of this was in the capacity of Machine Shop Foreman.

Many interesting mechanical round table conferences were held in their Cleveland home when the boys all returned home at the same time. The father acted as interlocutor. Mechanical problems, ideas, and solutions to problems flowed freely and proved of great value to all later in life.

Bob's brothers are Ben, Mechanical Superintendent of Inland Steel; Thomas, Master Mechanic of Hot Strip, Otis Steel Company, and Edward, of our Electric Shop. Bob has been with the Company six years.

The father, seven sons and four uncles have a combined mechanical service record in the steel industry of 400 years.

Bob is a World War Veteran having served in the U. S. A. Navy aboard U.S.S. Illinois and New Mexico. He has three sons and one daughter; Bob, Jr., 17, Alan 15, Paul 13 and Rita 10 years of age. Rita is an expert

Bob Burrell . . . lots of mechanical background.

custom twirler. His lovely family is his chief hobby and football is named his favorite sport.

Told the Truth

A rather elderly English woman strolled into a barn where a young man was milking a cow.

With a snort she asked: "How is it you are not at the front, young man?"

"Because, madam," answered the milker, "there ain't no milk at that end."

Soon we'll be eating baked beans and saying, "My dear, these are just like those in the cans you used to open!" 95

"Contentment is better than riches, they say; Oh, would that our grocer would take it as pay."

By Jessie Stewart

The family of the late Alvin Skager, who died Nov. 13, following a major operation, thank the following for the flowers and the cars donated:—Marktown neighbors and friends, the Shear Line Dept., the Accounting Dept. and Mr. Hartman of the Subdivision.

Anna May Hanson, daughter of Mr. and Mrs. Edward Hanson, was operated on Nov. 13 for appendicitis.

Bob Shy is recuperating from his attack of flu.

Mr. and Mrs. Fred Collins wish to announce the birth of a 9 pound baby girl Nov. 27. The baby was born on Frances' birthday and their wedding anniversary.

The adult patronage of the Mark Branch Library has been very unsatisfactory. It was a very difficult job to get this library for the Subdivision and it would be a splendid idea of the grown ups would take advantage of it for there are many excellent books to be had which are not there for the children.

All the best magazines are available and can be taken out in the same manner as the books. The percentage of adult readers in a community our size is certainly not representative of much interest in this form of entertainment and relaxation.

Why not drop in and look over the books. The Library is located in back of Charlie Edwards Barber Shop and is open each week day from 4 to 6 P. M. except Wednesday and Saturday. On these two days it is open from 2 to 6 P. M.

The following Triangle Club Officers will serve for the coming year: President, George Hart; Vice President, Paul Dewey; Secretary, Harold Wilson; Treasurer, Ted Skager; Entertainment Manager, Bud Deotte; Sports Committee—Glenn Thomas, Russell Shy and Russell Healy.

The dance held by the Triangle Club Dec. 16 was successful. Proceeds will go towards suits for the Hockey Team, which will be under the direction of Harold Wilson.

Mrs. Percy Wickenden is recovering nicely from a goiter operation.

Quite Possible

A man telephoned his doctor: "Come over quick, Doc. My wife has appendicitis."

"Nonsense," snorted the doctor, "I removed your wife's appendix three years ago. How can anyone have a second appendix?"

"Listen," cried the husband, "Did you ever hear of anyone having a second wife?"

Eddie Vassar of Marktown is Stripper Crane-man in the Bessemer Dept. Ed started his steel mill career in the Electrical Dept. 20 years ago. He is a widower, has a son, a daughter and nine grandchildren. Horse racing is Ed's greatest pleasure. He does, however, appreciate baseball as his favorite sport. A close observation of this prize photograph reveals present day men are lucky, having departed from the stiff collars of Ed's courting days. "Young women in those days," says Ed, "demanded you part your hair in the middle and look straight ahead."

Edward Fritz is the "man about town" at Marktown. A visit to the Subdivision reveals Eddie as the people know him, with tool box in hand, pockets full of tools, and a belt around his waist with a pouch full of gadgets, to make needed repairs. Eddie is our Building Maintenance Man at Marktown, capably doing his assignments with a smile. Employees and their children living in the Subdivision are well acquainted with Eddie and know when he comes he can make repairs promptly. He brings plenty of tools with him, as indicated above. Eddie has been an employee since 1922.

We also hear that Joe Donnersberger is quite a pheasant fancier at his place near Chesterton. How about clipping the wings on a few of them, Joe, and inviting us down for a day's hunting next season?

Some high bowling scores for the month are: Esther White 194, Ruth Taylor 182, Frances Michalik 176, Lou Patterson 154, Connie Triantos 144 and Betty Weir 184.

Turkeys donated by the Youngstown Athletic Ass'n. and Twentieth Century Bowling Alley were won by Frances Michalik with the score of 156 and Hazel Zimmerman with the score of 183. White Sox team lost out on a turkey dinner when Lou Patterson lost by three pins.

Frank Hale bowled for a turkey also. One of his scores was 87 so his teammates decided that he shouldn't be disappointed. They mounted a dead pigeon on a board and presented it to him, with gestures.

Larry Hunt and Horace Winegar really inspired the Notre Dame team at South Bend while attending the Northwestern-Southern California game. Red and Florence Harris also attended.

Solly Sylvester spent the week of Nov. 19 in Chicago finishing his vacation by visiting various companies who are using the Power's Tabulating equipment.

Charlie Chester endured considerable jesting from Tom Roderick and others in regard to his trick knee giving way. Charlie's explanation was that he tripped on a sliver of confetti. We differ with you, Charlie, it was a chrysanthemum petal—we slipped on one of those ourselves.

Mrs. Charles Chester, wife of our Blast Furnace Mechanical Foreman, claims she is giving Charles lessons in bowling and expects him to be in prime form by Christmas. Charles is a persistent advocate that the gutters on the left and right of the main highways are built to use.

Christmas Everywhere

Everywhere, everywhere, Christmas tonight
Christmas in lands of the fir-tree and pine,
Christmas in lands of the palm-tree and vine,
Christmas where snow peaks stand sunny and bright.
Christmas where children are hopeful and gay,
Christmas where old men are patient and gray,
Christmas where peace, like a dove in his flight,
Broods o'er brave men in the thick of the fight;
Everywhere, everywhere, Christmas tonight.

For the Christ-child who comes is the Master of all; 96
No palace too great, no cottage too small.

—Phillips Brooks

By Jessie Stewart

We Beg Your Pardon! — Through an oversight we neglected to mention in our Cub and Scout award article in last month's Bulletin that Donald Draine received the Bear Cub Badge—the highest Cub badge awarded at the Court of Honor. We are very sorry, Donald, that we slipped up on this and for your splendid work we congratulate you doubly.

The P.-T. A. asked our Cub Scouts for a Flag Day entertainment for their June meeting. The Cubs let them sit in a regular meeting which Merle Lain, Ass't. Cub Scout Master, conducted. He asked the Cubs questions about the flag, the boys sang America and then darkened the room and threw a spotlight on our flag while Wayne Wenner sang the Star Spangled Banner, which was very impressive. Afterwards Mr. A. Sambok related the history of the flag.

Congratulations and very best wishes to Irene Wilson and Harry Callaway, who were married June 17.

Now that vacation time is here, we hope some of our fishermen around town don't let the "biggest fish" get away this year.

We are delighted to see Mrs. Walter Burgue recuperating so splendidly from her major operation.

Think nothing of the bruises Mrs. Draine is wearing lately. She is taking up gardening, bicycle riding and roller skating.

We are happy to see Mrs. Howard Charmon recovering so nicely from her recent illness.

Mr. and Mrs. Russell Constant are proud to announce the birth of a baby girl, who has been named Margaret Anne.

Also Mr. and Mrs. George Stoops whose baby boy was born June 24.

After much boasting as to his knowledge of the Loop, Ed Hanson took Mrs. Hanson shopping and what a hectic day it was for her. Ed walked her around one block four times before he found his way out and after other mishaps finally ended by getting mixed up on the "L". So we've come to the conclusion that Ed wouldn't rate as a guide in the Loop.

It is grand to see the Bardsleys back in town in their trailer. Both Dick and Mrs. Bardsley look fine.

We extend congratulations to Mr. and Mrs. John Olson of 420 Prospect St., who celebrated their 30th wedding anniversary on June 17 by having dinner at the celebrated Swedish Restaurant in Chicago as the guests of their daughter and son-in-law, Mr. and Mrs. Hicks.

We wonder what the attraction was in Hammond that caused Russel Schmidt and Bob Sayger, who went over to see a ball game, to walk all the way home arriving in town around 3 a.m. Things are coming to a pretty pass when the boys start walking home.

Mrs. Al Dunner is out again after having an operation on her foot.

If anyone wants advice on squirrel hunting, just see Eddie Fritz.

Six boys and girls from Mark took part in a Piano Recital held at the Southside Christian Church as pupils of Roy G. Hackney. They were Wayne Wenner, Allen Wenner, Eloise Haugh, Norma

Jean Krause, Bette Llewellyn and Dorothy Anton.

The engagement of Lorraine Shy and Glenn Thomas has been announced. Also the engagement of Don Scott. Congratulations!

We are glad Thelma Dye is coming along so nicely since her eye operation.

What's this we hear about Mrs. Charlie Laymance getting pinched for running a red light???

Bud Fry and Tommy Hazel were riding a pair of nags around the countryside near Rochester, Minn., several weeks ago and now they have more respect than ever for "The Lone Ranger."

Our sympathy is extended to Mrs. Roy Mullally, whose sister died during June.

VACATIONING:—

Mr. and Mrs. Geo. Hart visited the New York Fair, Boston and Toronto, Canada.

Mr. and Mrs. Henry Barnett and two daughters motored to Missouri.

Mr. and Mrs. John Trainor spent their vacation in Adrian, Mich.

Sonny Ritter, six-year-old son of Mr. and Mrs. Joe Ritter, has gone to Bethlehem, Pa., to spend the summer with his grandmother.

Little Boy: "Say, mister, let me have six of those diapers."

Druggist: "Here you are, sonny. That'll be 90 cents for the diapers and 3 cents for the tax."

Little Boy: "The hell with the tax. My brother uses safety pins."

The mistress of the house heard the bell ring and saw standing at the open front door a Chinese peddler. She called out to the maid, "You go, Ella".

This was too much for the Chinese, who stuck his head well into the hall and shouted in-

That big event in Harry Callaway's life took place as per announcement, on June 17. Amid a lovely setting at the Presbyterian Church, Harry and Miss Irene Wilson were married by Rev. Atchinson. Nothing was lacking to make this one of the outstanding wedding events of the June season and we can say without any reservations whatsoever one of the outstanding couples of this season and many seasons past.

Following the ceremony there was a reception at the bride's home in Marks. Miss Wilson is the daughter of Mr. James Wilson, Ironworks Inspector at our Indiana Harbor Plant. While Harry was a resident of Gary, we have worked with him for so many years and have seen him in Marktown so often that everyone has regarded this union as dating back to school-day acquaintance.

The new couple spent a short honeymoon motoring to Milwaukee and then thru central Wisconsin.

We of the Blast Furnace Dept., along with their many friends wish them years of happiness.

Mr. and Mrs. Byrnie O'Malley are the happy parents of a daughter, born at St. Catherine's Hospital on June 22. They have a son, Edward, almost a year old. We extend our congratulations and best wishes to them. Byrnie reports that mother and daughter are getting along fine.

Byrnie, as well as his wife, are jubilant of the fact they have a fine son and daughter. Byrnie is an energetic, efficient secretary to Mr. Herman Spoerer, Superintendent of Industrial Relations. Byrnie has a wide experience in Industrial Relations work and

manages his assignments in an effective manner. He is a fair, square, almost inexhaustible worker, the kind of a man you like to deal with.

The Customer's Right

"Sorry, madam, but licenses are issued only when your form is filled out properly."

"Why I like your nerve, sir. We can get married, no matter

By Jessie Stewart

Dwight H. Morton and family thank their friends and neighbors for their kindness and sympathy during the sickness and death of their wife and mother. They also thank the Goodfellow Club for their beautiful floral piece.

We sincerely hope that Mrs. Glass, Mrs. Bulfa and Mrs. Moore are soon well again.

Frency Roberge lost his voice for several days as the result of being hit in the neck by a foul ball at one of the soft ball games.

Mr. and Mrs. Alfred Luther celebrated their 25th wedding anniversary July 15. A very gay party in the evening, attended by 31 guests, was enjoyed by everyone. We sincerely hope that we can help you celebrate your 50th anniversary, Bess and Al.

If you saw George Johnson sliding around the store like a Chinaman after his scute sunburn, you can appreciate why he should have been renamed "Too-long Sun".

Mrs. Healy of Prospect St. has gone to Oklahoma for the summer.

Annabelle Higgins was in a motor accident and had to have several stitches in her face.

Sign in Oslo (Norway) store window: "English spoken. Americans understood."

A DRIVER'S TEN COMMANDMENTS

By Bishop George Craig Stewart

1. Thou shalt keep safety, first, ever before thee.
2. Thou shalt not make thyself a dangerous nuisance nor the likeness of anyone that grabbeth the road beside, and the road ahead and cutteth in and out of line.
3. Thou shalt not take the laws of the state in vain for the cops and the judge will not hold guiltless him that taketh the laws in vain.
4. Remember thy brakes and tires and take curves slowly.
5. Honor the red lights and the green lights that thy days may be long in the land which the Lord thy God has given thee.
6. Thou shalt not kill.
7. Thou shalt not stop abruptly.
8. Thou shalt not steal—past a streetcar or bus loading or unloading.
9. Thou shalt not flash bright lights against thy neighbor.
10. Thou shalt not shove-it, thy neighbor's car, nor his fenders, nor his bumpers, nor his locks, nor his glass, nor anything that is thy neighbor's.

—From the Floral Notebook

Safety Leadership

A private office in our Safety Dept. is the seat of operation of an alert and efficient Safety General, Mr. Howard Holland. The office may be private, but the door moves free and easy, denoting constant usage. This door is always open to employees with Safety problems and questions of health.

Mr. Holland is a man with a ready smile and helping hand. Along with this cheerful disposition, we find a man with great courage and determination. This man with stored up knowledge of facts about Safety, Health and other fields is skillful in bringing facts to the front.

Howard is a man that respects truth and has been helpful to employees by the score in simplifying and clarifying Safety, Health and many other problems.

His knowledge of diseases, medical terms, analyzing accidents and physical conditions is to be respected. His wide experience in this work makes it possible to detect causes, effects, and to make corrections promptly.

The great service in which he is engaged and gives untiring effort

to has made our plant a better place in which to work.

It is almost unbelievable the amount of work and transactions that are directed through his office. Howard is ever ready to help you with your problems in his field and you can count him as one of your greatest friends.

An 8-pound son was presented Mr. Howard Holland, our Chief Safety Inspector, on July 8. Mrs. Holland and the child are both getting along very nicely. Mr. and Mrs. Holland have three other sons, Howard Jr., 14 years; Richard Lewis, 12; and James Charles, 10. Our best wishes are extended. Mrs. Holland must have a feeling of security when she considers the majority of men in the family.

Our boss, Mr. Lewis, bought one of those dazzling new Buicks and then quietly left on his vacation. We learned he is stopping deep in northern Michigan, and then is to spend a week or more amid familiar haunts around Pittsburgh. We'll bet that new car will be plenty "broke in" when he returns.

Richard Joyce, of Mark, graduated from Roosevelt High School in 1935. He is in his second year at the Art School of Chicago and worked as a counterman during the summer at one of the Steel Plant canteens. Richard is the son of Mr. and Mrs. Al Joyce. Mr. Joyce is Assistant Manager of the Subdivision. Dick's one and only hobby is his drawing. He has drawn four excellent cartoons for The BULLETIN and has promised to draw more.

Little Miss Webster

Cooking Teacher: "Now, students, describe a gumdrop."
Movie-Fan Sue: "A marshmallow in technicolor."

First Cannibal: "The Chief has hay fever."

Second Cannibal: "Serves him right. I told him not to eat that grass widow."

Man isn't so smart. Thousands of years before he began to have afternoon headaches from trying to think, the turtle had a streamlined chassis, turret-top, retractable landing gear, and a portable house.

One nice thing about a one-way street, if your motor stalls you can always get a push in the direction you want to go.

We suspect our mechanical wizards couldn't make a car window which would open, so they air-conditioned the trains.

There are two sides to every question; and there are two sides to a sheet of fly paper—but it makes a big difference to the fly which side he is on.

The difference between a bachelor and a married man is that when a bachelor walks the floor with a baby he's dancing.

The cuties advise girls never to marry volunteer firemen. There's no telling when a siren will break up their happy homes.

By Jessie Stewart

Jimmie De Armond, we hope the mumps will be the end of your illnesses for a long time. It seems that Jimmie has had a bad spring and summer with just one thing after the other.

Our P.-T. A. held their first meeting of the season Sept. 14, and despite the very warm evening, a large gathering was present. Mr. R. M. Feik, Supt. of Schools, was the speaker. We want to compliment and thank all those who took part in the entertainment that followed, especially little Sandra Boyd, (age 4), who opened the program with a welcoming speech.

All meetings for the Cubs, Brownies, Girl and Boy Scouts are back on schedule for the coming season.

And now that the names of streets are on the curbs, we hope the residents, as well as strangers, will be able to find their way around Marks a little easier.

We are glad to see Mary Ellen Rodman around again, minus her appendix.

Mrs. Robert A. Hiers and daughters, Florence and Barbara, spent their vacation in Minneapolis and Duluth, Minn.

During the absence of Mom Hiers, Bob (The Duke) Hiers established himself as No. 1 Cook, housekeeper and all around house man. He also baked a cake that, his Dad said, anyone would be glad to use—(as an anchor).

Those were nifty cards you sent from Miami, Fla., Dutch and Clara. Wow!

We are sorry to hear that Mrs. Harry Hartman has been ill. We sincerely hope she will soon be well again.

Now that Mildred Holland has made a trip on a Choo-Choo train as far as North Dakota, she'll probably think she is a world traveler. Well, they say traveling broadens one, so watch your step, Mil.

We definitely know that cold weather is in sight because Grandma Boyd has been moved indoors for the winter. Now that we will be unable to greet you every day we hope that you will have a very pleasant and happy shut-in-period, Mrs. Boyd.

Mr. and Mrs. Richard Mitchell and son, Bobby, Mrs. Alex Mitchell and daughter, Julia, and Mrs. Joseph Zapp, all of Johnstown, Pa., were the guests of the C. M. Stewarts of Prospect St. the last week of September.

Pictured above are more of our employees' children. Top are Charles and Donald, sons of Mr. and Mrs. Harry Draine. Both boys have won honors at St. Patrick's School, both play the piano and are active in sports. Here is Superintendent's Clerk in the Blast Furnace Dept. and also a BULLETIN correspondent. On the tricycle is Michael, Jr., son of Michael Bodner of the Pipe Mill Accounting Dept. Michael, Jr., is 5 years old. The baby shown is James Rolla, son of Mr. and Mrs. Solly Sylvester. Papa Solly is employed in the Steel Plant Office Tabulating Dept. Lower photo shows handsome Eugene Chouinard, 2 year old son of Laurie, clerk in the Order Dept. and a BULLETIN correspondent. Now we know why Laurie always beams when his son's name is mentioned.

Above are photos of Tin Mill Assorting Room employees enjoying themselves while away from their jobs. In the top photo are Violet and Floyd Shreve, both from the Assorting Room. The picture was taken at Starved Rock, Ill. The smiles of Clara and Florence indicate they are at ease again. This photo was taken at the Assorting Room picnic by Bill McKey. Contentment: Bill Reed of the Salvage Dept. is shown "taking it easy" at the Assorting Room picnic. That's milk he has in his glass. The next photo looks cool for these chilly days but the boys really were enjoying themselves. They are John Kruhaj, our groom; his brother, Paul, and friend, Cyril Gazdik. Bottom photo was taken at a recent golf party held by the Employees' Athletic Association. Left to right are Robert (Hole in One) Huff, John (Blister Foot) Benson, Earl (High Pockets) Jagnar, and Solly (Big Voice) Sylvester. Sylvester should have given the hat to Huff for after playing all day in the sun. Bob's bald head looked like a miniature sunset. A great time was enjoyed although an adding machine should have been taken along to record the correct score.

There were parties galore during May but one of the most outstanding was the delightful Mother's Day Party and program by our Cub Scouts. The mothers were entertained with songs, recitations, piano solos, duet, an accordion solo, as well as group singing. Then each Cub escorted his mother to a beautifully decorated table where they were served ice cream and home-made cake. Each mother received a gardenia and all 24 mothers reported a wonderful evening. Among the guests were Mr. and Mrs. Harry Hartman, Mr. and Mrs. O. J. Sambrook, Mrs. Alvin Danner and Mrs. Morgan.

The Brownies entertained their mothers at a Tea May 19 at the Little House. There was a splendid entertainment and each mother was presented with a corsage of sweet peas and baby breath. Each mother had previously submitted her choice recipe and these were compiled into an attractive little cook book and given as favors. All who attended this affair were lavish in their praise.

Mr. and Mrs. LeRoy Gentry are proud to announce the birth of a baby girl, who has been named Margaret Alice, on May 1. Congratulations, LeRoy and Pearl.

We are sorry to hear about Helen Halford being in the hospital and sincerely hope that she will soon be well again.

Mr. and Mrs. James Dorrance of 515 Spring St. have adopted a baby girl. You can identify the Dorrance home by the exquisite tulips they had in their yard.

Hazel Haugh has started a new fad—a strip of adhesive from knee to ankle.

At the Court of Honor at the Scout House May 24, the following boys from Mark received certificates: First Class—Russell Dettlerline; Second Class—Edward Albaugh, Charles Ray Bell, Lawrence Higgins, Merle Lain, Herman Lepley, William Morrison, William Nolan and Alfred Smith. Cubs — Bronze Wolf Award: George Ashby, James Bruner, Lawrence Hunt, Harold Lepley, Warren Springsteen, Wayne Wenner and Byron Williams.

If anyone desires instructions concerning making "files" or any "minkers" see Harry Aire or Jimmy Albaugh. From the amount of talking, they should be quite proficient in the art. Orders for same are being taken

what their husbands are talking about—or do they?

The playground is certainly well occupied these days since the equipment has made its appearance.

We wish to offer best wishes to Bea Taylor, daughter of Mr. and Mrs. Geo. Taylor, who was married in May.

Irene Wilson is sporting a sparkler these days. Let us know when the great day is to be, Irene.

It is a definite sign that summer is here when Grandma Boyd is moved out on the Fellows' enclosed porch. It is just grand to see you again each day, Mrs. Boyd.

There is a contest between Mrs. Bob Burd and Dick Donaldson to see who can find the largest number of four-leaf clovers during the summer. Our chips are down on Mrs. Burd—she is 'way out in front and, besides, Dick has lumbago.

My, my!—the landscaping around our "business district" is just too much.

Signs to Heed—Not all the Mark's "signs of spring" are flowers and the like, very many read—Keep Out—Mumps, Measles, Chicken Pox, Whooping Cough, etc. At any rate, we hope this issue will see the end of "signs."

Ask Betty Luther what happened to her new spring suit. She just loves little puppies!

With both the soft ball and hard ball teams going full blast, the natives have many enjoyable evenings ahead for this summer.

Daisy Moore—you better get busy regarding that Bulletin item you promised.

Mr. and Mrs. Carl Mitchelltree and children spent their vacation in New Castle, Pa., and Middlesex, Ohio.

Card of Thanks

We wish to take this opportunity to thank the neighbors of Marktown for the sympathy extended, masses and the flowers sent at the death of my wife and our beloved mother on May 5.—Herman Miller and Children.

We wish to thank neighbors and friends for the kindness shown in our recent bereavement during the illness and death of my dear husband and our father. Also for the beautiful social offering. To Rev. Childs we express gratitude for his comforting words.—Mrs. A. P. Smith and Sons.

Our deepest sympathy is extended to Mrs. Allan Curtis, whose sister died during May.

Did you know that the record for pancake consumption is held by a certain man on Liberty? L.

At the May meeting of the Mark P.-T. A., election of officers was held with the following results: President, Mrs. H. Setty; Vice President, Mrs. J. Griffin; Secretary, Mrs. Joe Anton; Treasurer, Mrs. Geo. Johnson.

The P.-T. A. made a trip through the Youngstown Sheet and Tube Co. plant Wednesday, May 17, which was thoroughly enjoyed by everyone. Sixty-nine made the trip. They certainly appreciated the splendid service the Company gave them—automobiles and all. Now they know

Monday is laundry day in the Subdivision just like it is for housewives everywhere. During these warm months you will see laundry fluttering in the breeze on the clothesline in many of the Subdivision backyards. This photo shows Mrs. John McDaniel, 419 Grove St., pinning towels on the clothesline.

These little kiddies are the daughter and son of Peter Bulfa of Order and Shipping Dept. Joan is age 5 and George is age 4. They're all dressed up in their Sunday best and certainly look cute.

Our deepest sympathy is sincerely extended to Mr. Herman Miller and family because of the death of Mrs. Miller on May 5.

ANDREW SMITH

Funeral services were held Tuesday afternoon for Andrew Smith of 416 Lilac street, who passed away the past week end after heart ailment.

The deceased was employed at Youngstown Sheet and Tube company, and is survived by his wife, Alma and three children.

Rev. Wayne Child officiated at services
