

Julia Marie Stewart, daughter of Mr. and Mrs. Charles M. Stewart of 418 Prospect, was married to John Barsich, son of Mr. and Mrs. M. J. Barsich of Whiting, July 30 at St. Patrick's Church, Indiana Harbor. Attendants were Margaret Barsich, sister of the groom, and Alexander Stewart, brother of the bride.

A wedding breakfast for immediate families was held at Phil Smidt's. Out of town guests for the wedding were Mrs. A. W. Mitchell and daughter, Julia, of Johnstown, Pa., Mr. and Mrs. John Katerba and daughter, Patricia, of Cleveland, and Mrs. Phelps Kurjan of Youngstown.

A miscellaneous shower was given by Mary Jane Burd and Irene Luttringer July 19. Both the bride and groom are employed in Tin Plate Dept.

Mary Margaret, Patsy and Tommy Hazel motored to Colbert, Canada, for their vacation.

Lillie Mae Bruns spent her two weeks vacation in Washington, D. C.

Mr. and Mrs. George Johnson went on a trip to California.

Mr. and Mrs. J. T. Wilson spent two weeks in Sault St. Marie.

Desiree Hines and Wibur Morton, both of Marktown, were married July 31 at the Baptist Church Parsonage, Indiana Harbor. Attendants were Hazel Hines and Lloyd Whitsman.

The young couple spent a five day honeymoon at Ludington, Mich. The bride received many beautiful and useful gifts at a miscellaneous shower given by Mrs. Art Bruns and Mrs. George Holzbach.

Charlie Carroll is back to work after his recent sick spell.

The family of Dewitt Pinkstaff, who was drowned June 26, wish to thank friends and neighbors of Mark for their thoughtful kindness at a time when it was greatly appreciated.

To our neighbors and friends we wish to acknowledge with grateful appreciation your very kind and thoughtful expression of sympathy during our recent bereavement.

—Frederick Hines and Children

Doesn't Scare Him

A traveling salesman stopped to buy some corn from a mountaineer. "It's too bad about the war," he remarked after the corn had been paid for.

"War?" asked the old man. "Is two countries fightin' a war?"

Surprised, the salesman said, "Yes, and it's a big one this time."

The old man thought this over for a minute and said, "Well, they've got a good day for it."

An Invitation

"Honey, would you like to have dinner with me this evening?"

"Oh, I'd love to."

"Then tell your mother I'll be over at seven."

Death Takes F. J. Galloway Relief Head

By G. S. Patterson

It is with sadness that we report the death of our treasurer, Fred J. Galloway, from a heart attack, at his desk in the Town-site Office, Dec. 20, 1940.

He had been seriously ill since May, 1940, and after several set backs, it was believed he was on the road to recovery. He undertook to resume his duties early in December and declared he was feeling fine.

Fred had been Treasurer of the Association since it was started, March 27, 1924, and by reason of his office was a member of the Finance Committee and the Claims Committee, both important parts of our organization.

He was Treasurer of the Good-fellow Club and also Treasurer of the Youngstown Sheet and Tube Company Athletic Association, and had charge of the details of the Sun Life Group Insurance.

Fred had been active during the past 30 years in positions of trust and responsibility with the Company and, as Paymaster, was probably as well known among employees as any man in the Company's plants.

He was greatly interested in sports and was an enthusiastic golfer and bowler and had a large circle of friends among those engaged in these sports.

Fred will be missed greatly by our Board of Directors and those associated with him in the Town-site Office will not soon forget his genial manner and readiness at all times to assist in straightening out the problems that present themselves where so many interests are involved as in our office.

To Mrs. Galloway and son, Robert, Directors of the Relief Association extend their deepest sympathy and we feel that we share in the great loss of more than a friend and co-worker in the passing of Fred J. Galloway.

Darkness Tells

"You look downcast."

"Yes; my wife has been away for six weeks and I wrote her every week and said I spent the evenings at home."

"Well?"

"She is back now and the light bill has come in—it's for 50 cents."

"My Sons"

By Juliana Brunansky

Two little boys with dirty faces,
Rumpled socks and open laces,
Two overalls with ragged pockets,

Fingerprints on all the faucets.
The one whose face is smeared
with candy—

He is four, his name is Sandy.
The other one, his name is Larry,
He is six and quite contrary.

I clean their faces bright and sunny,

Mend their pockets to hold some money,

I straighten their socks and tie their laces—

Of their untidiness I leave no traces.

I clean the faucets bright and new—

All this is a pleasure to do,

I wipe their noses and comb their hair

And their little troubles share.

I dry their tears and care for them;

Each night I say a prayer for them.

I pray that God, guide them His way,

While they study and as they play.

For only too soon they'll be young men—

Where will my little boys be then?

I'll miss those countless things I did

For my two sons when they were kids.

(Mrs. Stephen Juliana Brunansky is the wife of Stephen Brunansky, a Tin Mill Tin House Machine Shop Lathe Hand. Congratulations for this original poem.)

He's Coming To

Famous Quotes: "I think he's regaining consciousness, doctor, he tried to blow the foam off his medicine."

A Quick Cure

"Good morning, Mrs. Kelly. Did you take your husband's temperature, as I told you?"

"Yes doctor; I borrowed a barometer and placed it on his chest; it said 'very dry' so I bought him a pint of beer and he's gone back to work."

History Repeats

Son: "Dad, do you remember the story you told me about the time you were expelled from school?"

Father: "Yes."

Son: "Isn't it funny the way history repeats itself?"

Smiles from the Tabulating and Addressograph Dept. . . . Left to right are, Richard Johnson, Frances Deiotte, Sol Sylvester,

By Jess Stewart

Mary Jane Burd, daughter of Mr. and Mrs. Robert Burd, Prospect Street, was married to Leland Dunlap on Sept. 6. Robert Burd, Jr., brother of the bride, and Irene Luttringer were the attendants. The wedding dinner was at Paul Smidt's and a reception was held at the Burd home in the evening for friends and neighbors. Mrs. Dunlap was given showers by Irene Luttringer and Margaret Pollack, and the Pi Epsilon Kappa Sorority, at which she received numerous beautiful gifts. The young couple have moved into an apartment on Elm Street in the Harbor.

Jack Rohi, son of Mr. and Mrs. William Rohi, and Margaret Mae Amick, daughter of Mr. and Mrs. Guy Amick of Indiana Harbor, were married Sept. 30. Their attendants were Margaret Reid and Billy Rohi. The young couple spent their honeymoon in the Smokey Mountains and will make their home at Cedar Lake.

Billy Kinkade, son of Mr. and Mrs. Worth Kinkade, was married to Shirley Tolf of Indiana Harbor on Sept. 11. His sister Margaret and her husband were the attendants. A shower was given by Mrs. George Kurtz at which the bride received many beautiful and useful gifts.

We extend congratulations and very best wishes to these young people.

We also offer congratulations to Mr. and Mrs. Thomas Weir on the birth of a baby girl who has been named Lorraine Rose, and

to Mr. and Mrs. Henry Barnett whose baby girl was born Sept. 19 and has been named Linda Sue.

Marguerite Griffin was the happiest child in Mark when she was presented with a beautiful doll by Frank Nottingham for drawing his name for the car in the Athletic Association raffle. The doll meant as much to her as the car did to Mr. Nottingham.

Mr. J. E. N. Olson is recovering from his heart attack as is Mrs. James Hane from her operation.

Walter Roberge was confined in St. Catherine Hospital for 10 days as the result of an injury to his knee acquired while playing football. He will be laid up for five weeks.

Mrs. Barney Rodman gave a shower for Mrs. Lawrence Deiotte Sept. 18, at which she received many beautiful gifts.

We offer our sincere sympathy to Lester Boyd whose father died in Brazil, Ind., in September.

Three of our young men have returned to the halls of higher learning — Russell Schmidt to Purdue, Clarence Klosky to Notre Dame and James White to Indiana U.

Jimmy Pry is in Texas in the service of Uncle Sam. Jimmie took his own potato peeler along just in case.

The Cubs are going to have a roller skating party once a month at Black Oak all during the winter.

Kather Snyder, Marge Sayger, Daisy Hartkopf and Mona Boyd should form a Club and appoint Lester Boyd as their official letter writer, eh, girls?

The modern household light bulb gives 10 times as much light as the first incandescent lamp—and at one-tenth the cost.

Sol Sylvester is Assistant Chief Clerk of this department. He started with the Company about 16 years ago as a messenger. Sylvester is widely known at the plant, being an umpire in the 14-inch Softball League this year and a regular participator in golf tournaments. Baseball is his hobby and golf his favorite sport. He lives in Marktown.

Frances Deiotte, of Chesterton, Ind., is a Key Punch Operator. Her father, Ira, is a supervisor

in the Electrical Dept. and has many years of service with the Company. Miss Deiotte is interested in commercial art as a hobby. Her favorite sport is horseback riding.

Marktown on the Party Line

By Jess Stewart

Reggie Graham, son of Mr. and Mrs. James Graham, 426 Spring St., was married to Jeanette Turner, daughter of Mr. and Mrs. Jerry Turner of Schererville, Ind., Oct. 8. Their attendants were Miss Eileen Austgen and Russell Shy.

Robert Sayger, son of Mr. and Mrs. Charles Sayger, 504 Grove St., was married Oct. 11 to Louise Baker of Indiana Harbor. Their attendants were Mary Donnersberger and Reggie Graham. We offer very best wishes for a happy married life to these young couples.

Joe McNeill, son of Mr. and Mrs. Joseph McNeill, has gone to the Army and is stationed in Texas. Jimmie Pry, who was reported being in Texas, is in the Quartermaster Division, Fort Warren, Wyoming.

We hope Ben Barrett, who was in St. Catherine Hospital, will soon be well again. Also, Mrs. Percy Wickenden and Mrs. Ervie Hartkopf, patients in the same hospital.

Mrs. Small entertained her Finochie Club at a masked party Oct. 25. As it was Mrs. Marshall Setty's birthday, her friends showered her with beautiful rankies.

Mr. and Mrs. Theodore Skager (formerly June Ann Hunt) are proud to announce the birth of a baby girl.

Incidentally, George and Myrtle Taylor are now grandpa and grandma as their daughter, Bea, had a baby girl in October.

Private Frankie Pollack has been transferred from Camp Lee, Va. to Fort Benjamin, Ga.

Twenty-five of the Cub Scouts held a masked party at the Community Building Oct. 28. Fred (Windy) Poulson is the leader of this group and Mrs. Alfred Luther and Mrs. Andrew Holzbach acted as hostesses at the party.

We wish to extend our deepest sympathy to the wife and family of Russell Healy who died Oct. 23 of lobar pneumonia.

Also to the wife and family of Robert Burrell, who passed away Oct. 27, we wish to express our heartfelt sympathy.

THE Torch of Liberty still burns brightly in America... a cherished land of freedom. Today we all realize that America must be made strong by the combined efforts and labor of her sons and daughters. Symbolic of America's strength and might is the country's steel industry... unsurpassed in the world. A mighty torch in a steel plant is the purifying flame of the bessemer converter -- a flame that purifies pig iron. Likewise, the mighty Torch of Liberty will keep America's freedom alive and pure... and steel will help to give our country the strength she needs.

INDEPENDENCE DAY

One hundred and sixty-six years ago the independence of this nation was won, and a goal attained that has proven to be the greatest in the history of any nation on the face of the earth.

Time and time again our independence has been challenged by those who seek to destroy the integrity of a people, and each time it has been preserved and strengthened.

Today, as never before in our history, this independence is challenged again. The might of this great nation is being massed to meet that challenge as a determined people make ready to defend that goal entrusted to us by our forefathers.

We will go, now as in the past, united in purpose and determined of mind and heart that this sacred heritage shall not be impeded.

The Boss Rolls One . . .

J. E. Daily, Chicago District Manager, opens the 1940-41 Bowling Season of the Youngstown Athletic Association by rolling the first ball. Some form, and—lots of action there, Mr. Daily! The Bowling League, so far, includes 48 teams and 240 bowlers.

Voice of a Soldier . . .

And if our lines should form and break,
Because of things you failed to make—
The extra tank or ship or plane
For which we waited all in vain,
And the supplies that never came
Will you then come and take the blame?
For we, not you, will pay the cost
Of battles you, not we, have lost.

—taken from a War Poem

By Jess Stewart

Outside decorations on the homes of Mr. and Mrs. Victor Williams and Mr. and Mrs. Robert Burt during the holidays were indeed beautiful to see. The lighted tree in the built-in porch of Mr. and Mrs. Allen Curtis was also delightful to the eye. It was nice to have the huge illuminated Christmas tree on the Tin Mill lawn so close to home.

Girl Scouts, under the leadership of Mrs. Glenn Thomas and Elizabeth Weir, presented a Christmas program to the final meeting of the P.T. A. Taking part in the program were Jean Schmidt, mistress of ceremonies, Eloise Haugh, Mary Loftus, Myrna Johnson, Betty O'Hara and Shirley Brassard in a short sketch; Arabelle Carter, a recitation; Eleanor Morrison, a song; Carol Jean Heimerl, a piano selection; and Ruth Coccaro, a song.

Congratulations to Mr. and Mrs. Harry Davis, whose baby daughter, was born Nov. 20.

Betty Hansen had the thrill of her life when she won the new Chevrolet at the Indiana Theater Dec. 21. We are just as pleased as you are Betty.

Youngstown's Yuletide spirit was demonstrated this year by the picturesque Christmas tree which adorned the grounds in front of the Tin Mill Main Office Building. The tree was decorated with a star at the top and a changing sequence of red, green and blue lights on the tree and red and green floodlights at its base.

Musical equipment made available by employees furnished an effective background as Christmas carols came forth to add to the season's good cheer.

The tree was enthusiastically received by employees, their families and the general public because of its beauty.

Charles E. Homer and colleagues did an excellent job. Alfred Luther furnished the photo.

In keeping with the Holiday Spirit we decided to install a safety Christmas tree in one of the windows of the Tin Plate Hospital where it could be seen by all of the employees in the Plant.

This tree was wired with 31 lights and at the beginning of the month of December, 1940, the lights were all yellow. Each day that the Plant operated without a lost time accident a

blue light supplanted a yellow.

As the month progressed considerable interest was shown in the tree; particularly to see if the lights continued to become blue. Blue lights appeared daily until the 23rd day when an employee of the Cold Reduction Department sustained a disabling injury. A red light was installed for that day. At the end of the month the tree contained 30 blue lights and one red light.

G. S. Patterson celebrated his 80th birthday on Jan. 24. For many years George has been Secretary of the Employees Relief Association and witnessed almost a million dollars of benefits paid to members.

"Pat," like all men who reach 80 years of age or more, can thrill one by relating some of his early experiences. Pat, as a boy, was a farmer. At one time he was in charge of the manufacture of rat traps.

He spent 30 years in the electric railway business, mostly in the east. For more than 20 years we have had his good company at this Plant. Best wishes and onward toward the century mark, Pat.

G. S. Patterson, Secretary of the Employees' Relief Association, who has been with the Company 23 years, celebrated his 80th birthday on Jan. 24. Pat was presented with a singing birthday cake by his co-workers in the subdivision office. Everyone joins in wishing Pat many more happy birthdays.

Memories from past summer...

OUT OF THE FAMILY ALBUM—Left photo shows Wilda, Lucille and Cathleen, daughters of Walter Campbell. Picture was taken in 1928. Center is Joe Kolaski, now foreman in the Tie Plate. He was Walter Campbell's helper in 1921 in the old Plate Mill. Right photo shows Mrs. George Copeland, wife of Locomotive Engineer in plant. Man on left is pipe fitter helper in 1925. The other fellow is Walter Campbell.

CARD OF THANKS

May we, through The Bulletin, express to all employees and friends of the late Mr. Fred Galloway, our sincere gratitude for the many flowers, cards and visits throughout his illness; and for the countless floral pieces and messages of sympathy at the time of his death. We deeply appreciate the kindness of those who ordered masses said; those loyal friends who bore him to his final resting place; and those who offered their cars for the funeral services.

—Mrs. Fred Galloway and Son

"CLEANEST COUNTRY"

THE U.S. USES 1/3RD OF ALL THE WORLD'S SOAP — THERE ARE NEARLY 30,000 EMPLOYEES IN THE SOAP INDUSTRY IN THIS COUNTRY

Nurse Margaret Reid, whose father, Clem, is a Blooming Mill employee, graduates from St. Catherine's Hospital Indiana Harbor, in September. She was born in Sydney, Nova Scotia, and has been a resident of East Chicago 18 years. Margaret's hobby is collecting toy elephants. Her father has been with the Company 19 years.

Dwight H. Morton can be numbered among those of greatest length of service with the Company. He accepted employment over 22 years ago as a Millwright Helper in the 30-inch Plate Mill. He is now a Machinist in the Tube Mill Machine Shop, where he took "time out" from sawing steel at the Power Saw for Tie Plate Dies to pose for a photo.

Dwight is a widower, has two sons and two grandchildren, and lives in Marks Subdivision.

I'm an American

Thank God I'm an American;
Let me live and die that way,
While in other countries they
have strife,
Here we have peace for which
I pray.

Keep aloft the torch of freedom,
Burn it bright to light the way.
Hold me steadfast to my country,
From the path don't let me
stray.

Wave the Stars and Stripes forever,
Let freedom ring throughout
the day.
Thank God I'm an American,
Let me live and die that way.

MRS. BARNEY HAILEY

Our sincere sympathy is extended to the bereaved family of Barney Hailey because of the death of Mrs. Hailey on June 7.

Mrs. Hailey was a proud mother and was particularly interested in keeping the home lawn beautified. In October, 1924 the Hailey family, residing in Mark Town received an award and a letter from the Mark Corporation commending them for the interest shown in their home and lawn. Mrs. Hailey was largely responsible for this as she spent much of her leisure time keeping the lawn in shape.

Mrs. Hailey was a former employee of the company, having worked in the main lunch room. Mr. Hailey is a Conductor in the Transportation Dept. with many years of service. Their son, Michael is a Tin Mill employee.

We offer congratulations and very best wishes to Dorothy Blackstone, sister of Mrs. Harry Davids, 419 Prospect St., and to Lawrence (Lorsey) Deiotte, son of Mrs. Mary Deiotte, 510 Grove St., who were married Aug. 7. The young couple are making their home in Gary.

Vacation trips were enjoyed by the following: Mr. and Mrs. James Morton went to Ludington, Mich.; Mrs. Solly Sylvester and children spent three weeks in St. Louis, Mo.; Mrs. Hazel Haugh and daughter, Eloise, visited Washington, D. C. and points of interest in the east; Mr. and Mrs. Chas. M. Stewart visited in New York, New Jersey, Penna. and Ohio; Mr. and Mrs. Barney Rodman and daughter, Mary Ellen, visited in Scranton, Pa.; Mr. and Mrs. James Wilson went to Canada to visit relatives, and Mr. and Mrs. Jim Graham went to Duluth, Minn.

We offer our sincere sympathy to Mrs. Alfred Luther, whose sister died in August, and to Mrs. Ray Classen, whose brother from California was killed in an automobile accident while visiting his relatives in Chicago.

Automobile accidents were prevalent during August. Desiree Morton had 16 stitches taken in her arm due to an accident at Kenosha, Wis., Alvin Detteline was slightly injured in one. Mrs. Leo Heimerl was seriously injured and will be in St. Catherine Hospital for several months. Mr. Heimerl was badly bruised and Bob and Carol were fortunate in not being hurt.

If Dorry Hackett tells you about the many big fish he caught while vacationing at Lake Nokomis, Tomahawk, Wis., you may as well believe him because Mr. and Mrs. Art Bruns and Mrs. Hackett can vouch for him this time. Maybe the fish came to the surface to take a look at a good looking fisherman and he slugged them.

We are glad that with the aid of Eddie Fritz, Mrs. Vandervort was able to get the stone from her diamond ring which had gone down the drain in the kitchen sink.

Never Mind the Teeth

British bombers were over Berlin, the sirens were screaming and people were racing for the shelters.

"Hurry up!" cried the housewife to her spouse.

"I can't find my false teeth," called the befuddled and tardy husband.

"False teeth!" returned the exasperated wife. "What do you think they're dropping? Sandwiches?"

Second Lady—Well, my husband says if things get any worse he's going to get one, too—if he can find a monkey.

Death Ends Steel Career of William D. Cleavenger

By Paul C. Humbert

William D. Cleavenger, age 61, Mechanical Dept. Superintendent died Nov. 15. He had been at the head of the Plant's large Mechanical group for 20 years. His death ended a life-long career in the Mechanical field in which he was highly successful.

Born at Monongahela, Pa., he worked in Steel Mills from his youth.

Previous to coming here he had been an executive of the Upson Nut Company at Cleveland. Steel was his chief interest outside of his family.

He was a 32nd degree Mason, a member of the Woodmar Country Club and held memberships in various engineering societies.

Mr. Cleavenger was a devoted family man. Surviving are Winifred, his widow, and his two fine sons, William, Jr., and Edmund.

His services here were characteristic of his fellowship attitude. He was regarded highly by executives, supervisors, and workers alike. Bill, as the boys knew him, participated in the Athletic Association's Bowling League, was

W. D. Cleavenger
... a truly great friend

an outstanding promoter of the Employees' Minstrel and was Chairman of the Suggestion Award Committee operated to give opportunity for suggestions by employees.

Our genuine sympathy is extended to the bereaved family survivors and we pay tribute to the passing of a truly great friend.

Talk, Sailor, Talk

A sailor walked into an auction shop as the auctioneer was asking for bids on a parrot.

"Fifteen dollars," said the sailor.

"Twenty," said another bidder.

"Twenty-five," said the sailor.

"Forty," said the other bidder.

"Forty-five," said the sailor.

No further bids were heard, and the auctioneer said, "Sold."

The sailor took the bird and age, passed over the money, and said: "That's an awful price to pay for a parrot. Can he talk?"

"Can he talk?" exclaimed the auctioneer. "Why, sailor, he was bidding against you."

The display of fruit looked so tempting the customer stood bewildered before the cleverly arranged counter.

"I'll take two pears, please," said the customer. Then, as the little bag was handed to him, he asked: "How much?"

"Forty cents," said the clerk.

The customer bore the shock bravely. He flashed two quarters.

"Keep the change," he said coolly. "I took a grape while you weren't looking."

Followed Instructions

Doctor—Ah, you are certainly looking much better than I expected to find you this morning. I presume you followed the directions on the bottle exactly?

Patient—I did. They said, "Keep bottle tightly corked."

Mechanical Dept. News

By L. W. Walter

In the passing away of Mr. W. D. "Bill" Cleavenger, the entire Mechanical Dept., Youngstown Sheet and Tube Company and the Steel Industry in general suffered the loss of a truly great leader, a loss which came as a severe shock to the entire community.

Since his early youth, along with his family, the steel industry had been Bill's life, and for more than a score of years he was actively engaged as Mechanical Superintendent of the Indiana Harbor Works in the building up and maintaining an efficient organization and forever striving to bring to the surface the very best in the department.

Mr. Cleavenger was keenly interested in all matters concerning the department and the entire plant. He was one of the real boosters of our BULLETIN, looking forward each month for his copy.

The high regard and esteem in which "The Boss" was held by all his employees was demonstrated by the numerous floral pieces and the large attendance paying their last respects.

Each and every one has a touch of sadness in his heart and hardly a day rolls by without a remark like, "It just don't seem like the Boss is gone—it seems like he's coming back." No greater admiration could be expressed.

Steel Side Show By Myron Miller

"We heard that Youngstown Sheet and Tube needs scrap iron!"

This Month's Bible Thought

"Be strong therefore, and let not your hands be weak; for your work shall be rewarded."—II Chron. 15:7.

Prayer . . .

God be in my head,
 And in my understanding;
 God be in my eyes,
 And in my looking;
 God be in my mouth,
 And in my speaking;
 God be in my heart,
 And in my thinking;
 God be at my end,
 And at my departing.
 —Medieval Prayer

Herman Winegar,
Payroll Rate Clerk.

"Our front line is only as strong as our home front. I, as an individual, am willing to do whatever is ordered to make this an impregnable front. When our inevitable victory has been achieved, I can then be proud to say, 'I did my part.'"

Hazel Hart Haugh,
Accounting Stenographer.

"I believe this war was inevitable and hated to see it come, but now that it has been thrust upon us, I consider it an honor and a privilege to join with millions of other Americans who are doing everything in their power to speed up defense production, so—

I'm going to touch that typewriter fast and neat,
 And give moral support to our Army and Fleet!"

George A. Heltbach,
Main Boiler Room.

"At my age, which is past 64 years, I would be of little use on the fighting line but I would not hesitate to go and do what I could to help America win this war.

"At the present time I am helping to make steam to give the mills power to roll steel for use in making defense material.

"I expect to buy all the bonds I can to help America get money to carry on this war to the end."

Two and One

Daughter: "But, dad, don't you believe that two can live as cheaply as one?"

Dad: "Sure; your mother and I are living as cheaply as you."

rying results: Mrs. Art Bruns, Block 308; Mrs. Otis Bruner, Block 309; Mrs. J. Gaudiose, Block 310; Miss Anna Small, Block 311; Mrs. John Hiem, Block 312; Mrs. J. Albaugh, Block 307; and Mrs. Bakos, Zone 36.

The work done by the young boys in collecting the material and the girls working in the Community Building deserve a hand from the grown-ups. The youngsters have set the pace and it is up to the adults to carry through on the Defense program.

The following women completed a course of 10 hours instruction in First Aid Civilian Defense: Class One—Mrs. Lester Boyd, Mrs. C. Anderson, Mrs. H. Albaugh, Mrs. S. Balog, Mrs. W. Bourque, Mrs. O. Bruner, Mrs. B. Rodman, Mrs. Geo. Holzbach, Mrs. Esther Snyder, Mrs. J. Hiem, Miss B. Glawe. Class Two—Mrs. C. Ried, Mrs. A. Holzbach, Mrs. T. Wier, Mrs. Hazel Haugh, Miss Anna Small, Mrs. K. Henry, and Miss Elizabeth Wier.

We offer congratulations to Mr. and Mrs. Harry Hartman who celebrated their 25th Wedding Anniversary April 19. The Hartmans held open house to their host of friends.

We wish speedy recoveries to Martha Krause and Charlie Edwards who submitted to major operations in April at St. Catharine Hospital.

Lawrence Wier, son of Mr. and Mrs. Thomas Wier, is recovering from pneumonia.

Mrs. Charles Stewart and Miss Martha Mitchell visited in Johnstown, Pa., over Easter.

"We'll put him over!"

Laugh a Little . . . It Won't Hurt

Air Raid Warden: "I'm sorry, madam, but your husband had a slight accident and has been taken to the hospital."

Housewife: "Gracious, but you frightened me. I thought there was something wrong with my blackout."

The Price of Peace

Over the counter of the pawnshop a musician handed his violin with the brief comment: "How much?"

The proprietor examined the instrument and then replied: "Five dollars."

"That's ridiculous! Why, the neighbors offered me more than that!"

Force of Habit

The young wife was heartbroken.

"What's the matter?" asked a friend.

"Oh, my husband is so absent-minded. After breakfast he left a tip on the table and when I handed him his hat he handed me another tip."

"Well, that's nothing to worry about. It's just force of habit."

"That's what worries me. He kissed me when I gave him his coat."

Cure

"I understand Mimi has cured her Scotch boy friend of stuttering. How did she do it?"

"She called him up long distance collect."

Good Scout

Young Harold was late for Sunday School, and the minister inquired the cause. "I was going fishing, but my father wouldn't let me," announced the lad.

"That's the right kind of father to have," replied the reverend gentleman. "Did he explain the reason why he would not let you go?"

"Yes, sir. He said there wasn't bait enough for two."

Right at Home

"We were surrounded by natives," related the explorer. "They uttered savage cries, danced madly and beat the earth with their clubs."

"Sounds like golf," said the bored listener.
