

Mary Pollack, daughter of Mr. and Mrs. Pollack of Lilac St., is recovering from her appendectomy which was performed in St. Catherine Hospital April 19.

Marktown still continues to keep St. Catherine Hospital out of the red. During the past month Bill Wehris, Mike Germack and Jimmie Delotte were patients there. We hope they are all feeling well again.

Marilyn McCollom, daughter of Mr. and Mrs. Joseph McCollom of Spring St., was the victim of Scarlet Fever during April.

Several sparklers appeared on the left hands of our young ladies with the advent of spring. Julie Stewart, daughter of Mr. and Mrs. Charles M. Stewart, became engaged to John Barsich of Whiting, who is employed in the rolling mills. Desire Hines, daughter of Mr. and Mrs. Fred Hines, became engaged to Wilbur Morton, son of Mr. and Mrs. James Morton, both families residing in Mark. Mary Jane Burd, daughter of Mr. and Mrs. Robert Burd, has been engaged to Leland Dunlap since Christmas. Leland is employed in the rolling mills. We offer congratulations and best wishes to this group of young people.

Mr. and Mrs. Cy Higgins celebrated their Silver Wedding Anniversary April 16. Congratulations to you, Cy and Ida!

Mr. and Mrs. Harry Hartman, who have left the big town of Mark to reside in the country (Highland) celebrated their 24th wedding anniversary April 28. Best wishes to you also.

Several weeks ago Mrs. Barney Rodman had a new hair-do and according to her daughter Mary Ellen, she looked more like George Washington than he did.

We hope Mrs. Jim Trainor enjoys her new clothes post. She went through a lot to get it.

Alec Stewart and Paul Rodgers drove back to Johnstown, Pa. and Penns Grove, N. J. for the first week of May.

Mr. and Mrs. Joe Patton also drove to Ohio for a vacation.

With the Measles running rampant throughout the town and the home makers getting restless to start housecleaning, there was no doubt that spring had arrived early in April.

With the two ball fields being put into excellent shape, there should be many fine evenings of fun, recreation and relaxation ahead for all of us. Come out and see the games.

Mr. and Mrs. Reuben Carlson, (she is the former Dorothy Helgren), announce the birth of a baby girl born April 27.

Civilian Defense is well getting way with the following appointments: Walter Burque, Area Coordinator; George Johnson and Mrs. Robert Burrell, Assistant Coordinators; Dan Strohm, Police; Carl Mitchellree, Medical; Clarence Farley, Fire; Al Joyce, Maintenance.

Vane Hatcher, Commander, and John Dubec, Captain, of Zone 36—block 306; George Kurtz, Commander, George Taylor, Captain, of Zone 37—block 307; Sol Sylvester, Commander of Zone 38—blocks 308 and 309, with Darnin Hackett Captain of block 308 and George Southern, Captain of block 309; Henry Barnett, Commander, Robert Burd, Captain, of Zone 39—block 310; Joe Anton, Captain of Zone 39—block 311; Edward Schneck, Commander, Harry Draine, Captain, of Zone 40—block 312.

There are 34 men taking First Aid Training under the instruction of Bill Brabba. There are two First Aid classes for the women, 20 in one class and 16 in the other. This work is being done in the Library, in back of Barber Shop.

Our sympathy is extended to Otis Bruner, whose brother died in the Veterans Hospital in Chicago recently, and to Mrs. Carl Mitchellree, whose mother died in New Castle, Pa.

Hazel Hines' engagement has been announced.

"Liberty—is one of the choicest gifts that heaven hath bestowed upon man, and exceeds in volume all the treasures which the earth contains within its bosom or the sea covers. Liberty, as well as honor, man ought to preserve at the hazard of his life, for without it, life is insupportable."

—Cervantes

Bug and insects are big eaters. Each year insect pests in the United States eat food crops valued at approximately \$900,000,000.

One steel company alone produced enough steel plates for 35 liberty cargo vessels during the month of August, 1942.

For every passenger automobile available to carry war workers to their jobs in 1917, there are six vehicles available today.

We are going to get along without things, as individuals, and adjust ourselves to the second best, and make old things do, as we have never done before in our lives.—Donald Nelson.

"We Americans"

We struggled to get over here
To leave that war-torn shore.
It may have been ten years ago,
Perhaps it was much more.

We came here then in search of
peace,
The stars and stripes our goal.
Our worries here we knew would
cease,
And happy was our soul.

The years have passed, we all
have aged,
And now it snarls once more.
Impossible! No, not again,
Yes, true; it's World War.

Forget your nationalities—
We're American's right now;
Our flag flies in the gentle breeze,
You know it will not bow.

Let's work together, French or
Finn,
To help our Uncle Sam;
And we'll not see a bomb-torn
hole
Or troops come charging in.

I cannot think of land so fair
Being crushed from this blue sky.
Our flag is flying way up there,
We'll never let it die.

—By George Wm. Parratt.

Mrs. Charles Esola and 14-month-old daughter, Charlene, of 3510 Grand Blvd., Indiana Harbor. Mrs. Esola is the former Beatrice Reid, daughter of Clem "Scotty" Reid of Marktown. "Scotty" has been employed as a Heater at Indiana Harbor Works for over 20 years. He has three sons and two daughters now employed in the Plant. The family service totals about 70 years. Beatrice is the wife of Charles Esola, popular East Chicago attorney.

Don't Be Bashful

He—I've been thinking very seriously of getting married. What do you think of the idea?
She—I think it's a good idea . . . if you ask me.

MARKTOWN On the Party Line

By Jess Stewart

Congratulations and best wishes to the following who graduated from Roosevelt High School in June: Betty Llewellyn, Betty Brabbs, William Brabbs, Robert Burrell, Harold Bell, Shirley Hiers, Thomas Smith, LaVerne Clark, Ellen Southern, Evelyn Hansen, William Nolan, George Paulson, Peggy Luther, Dorothy Brassard, Dorothy Anton, William Morrison, LaVerne Fernando, Leo Curtis, and Reginald Benson.

Walter Hunt and Tommy Small joined the armed forces June 2.

Congratulations to Mr. and Mrs. Al Pollack, Mr. and Mrs. Al Suter and Mr. and Mrs. John O'Malley on the birth of baby boys in May.

In the Civilian Defense Program the third 10-hour class in First Aid was completed by the following: Mae and Leona Bruns, Fern Scott, Mrs. Leo Heimerl, Mary Ellen Rodman, Dorothy Barnett, Hazel Gaudiose, Mrs. Spring, Mrs. Robey, Mrs. O'Hara, Myrtle Taylor and Carol Heimerl. The fourth class will be started the latter part of June and anyone interested please call Mrs. Burrell at 2108-J.

Clarence Farley, Raymond Reid, Robert Taylor, Fred Collins and Joe Moore have completed a 10-hour course as auxiliary firemen. Of the 59 nine registered for this particular branch of Civilian Defense, 21 have failed to attend a single meeting. If you have signed for it, why not follow it through. Zone 39, block 311, and zone 40, block 312, have taken the most interest in this work.

Mr. William Brabbs has taken Mr. Mitchelltree's place as Medical Supervisor for the O. C. D. with Carl Anderson as his assistant.

As a gentle reminder—you people who have been placed on the various committees—why not come out to the meetings and give your wholehearted support to the Civilian Defense. The need for organization in Marktown is doubly important because of the many defense plants in this area.

Bob Holzbach, brother of George and Andrew Holzbach,

Laverne Fernando, son of Mr. and Mrs. Louis Fernando, was in the June graduating class of Roosevelt High. During the summer months, Laverne is with the McKee Engineering Company, but will continue his studies next fall at either Indiana Extension U., or Purdue. Louis is a Finisher in Billet Mill.

and twin brother of Rose Weir, was given a farewell party May 27 at the Andrew Holzbach home by his family. Bob enlisted in the Naval Air Corps.

James Hane, who lived in town for 23 years, is ill, but can have visitors. You will find him at 3915 Elm St.

Our sympathy is extended to Mrs. Olson, whose father died in Moline, Ill., in May.

Marion Kstep and her two children from Neon, Ky., are visiting her parents, the James Wilsons.

We hope John Benson, who was a patient in the Little Company of Mary Hospital in Chicago, will soon be well again.

GO ON AND TALK...
I'M ALL EARS!

Here's Why That Scrap Is Needed . . .

Here are some comparisons which show the need for scrap, and some of the weapons and supplies which can be made from it:

IT TAKES*—

21½ lbs. of scrap rubber
1 lb. of scrap rubber
22½ tons of scrap rubber
2,000,000 lbs. of waste paper

2/10 miles of scrap copper
32 miles of scrap copper

20,000 aluminum skillets
The steel in 100 refrigerators
*Approximate figures.

TO MAKE—

One 900x20 tire
One non-combatant gas mask
The requirements for one battleship
The boxboard to pack the canned tomatoes the Army bought in 1941
An Army Bomber fly
The requirements for one battleship
One heavy bomber
One medium tank

By Jess Stewart

Mr. and Mrs. Dick Daugherty were the proud parents of a baby girl born May 31.

Mr. and Mrs. Larry Hunt had Open House June 12 in celebration of their 25th wedding anniversary. They were presented with a beautiful set of silverware from their friends and neighbors.

Ruth Taylor, daughter of Mr. and Mrs. George Taylor of Spring St., was married to Orlo Carlson June 27 at St. John's Lutheran Church in Whiting. The bride was attended by Doris Carlson, sister of the groom, as maid of honor, and Odessa Carlson and Eileen Smith as bridesmaids. Kenneth Taylor, brother of the bride, was best man, and Robert Dahlberg and Irving Shavey were ushers. Open house was held at the Taylor home. Congratulations and best wishes are extended to Mr. and Mrs. Carlson.

A stork shower was given for Mrs. Lewis Fernando June 12 by her neighbors.

To our neighbors and friends we wish to acknowledge with grateful appreciation your very kind and thoughtful expression of sympathy during our recent bereavement. Mrs. Robert Burrell and children.

Mrs. Mary Lynch, Mrs. Robert Burd, Betty Ann Burd and Mrs. Leland Dunlap drove to Uniontown, Pa., to spend a week in June.

Again may we remind you, who have signed for the various Civilian Defense jobs, to attend the meetings and follow through with the other people in Mark.

CONGRATULATIONS

Mr. and Mrs. Richard Dougherty, East Chicago, Ind., a girl, Elizabeth Ann, born May 31.

Following poem by Pvt. James H. Fry, Camp Berkeley, Texas.

"On the week before Pay Day,
all through the Camp,
You try to borrow a buck, but
find that you can't;
Then here comes the Postman,
with a slip in his hand,
Telling of a package that Ma
and Pa planned.
Off to the Post Office, without
any delay,
You're handed the package from
far, far away.
You tear off the paper, and there
on display,
You find cookies, candy and
buck for your wee end of
play."

James H. Fry, formerly of Lap Weld, now stationed at Camp Berkeley, Texas, would like his buddies around the plant to drop him a line. See your correspondent for his complete address.

Wonder why Charlie Crossman was stepping at such a brisk pace towards the West End recently with his false teeth tucked away in his hip pocket.

SPLINTERS from the War Production Board

When you throw away three cans you are throwing away enough tin for one hand grenade.

A brass drum contains enough steel for two bayonets; a trumpet enough brass for 60 .30 caliber cartridge cases.

The steel saved by limiting the use of blackplate in bottle caps is sufficient to make more than 1900 medium tanks.

A tin can rescued from the garbage pail will supply the tin for a pair of binoculars or two compasses for an army scout.

Four hundred jalopies found rusting in a Wisconsin "graveyard" yielded enough scrap to make 240 75-mm howitzers and 480 one-ton aerial bombs.

The steel, copper wire and brass used to make an average piano would be enough to produce a dozen bayonets, a signal corps radio set and 66 .30 caliber cartridges.

Fifty-one thousand tons of blackplate have been saved by cutting down its use in bottle caps or enough to turn out 2,000,000 55 gallon drums for shipment of oil to Australia.

If the average family of four saves its tin cans for two weeks it will have 18, or enough to supply tin for a portable flame thrower; for four weeks, enough to make the bushings for three .30 caliber machine guns.

Miss Ruth Taylor, Orlo Carlson Wed

By Inez Hartley

Ruth Marie Taylor and Orlo Carlson were united in marriage Saturday evening, June 27, at St. John's Lutheran Church in Whiting.

Miss Taylor was a charming bride wearing a lovely long, full-sleeved, white organza wedding gown.

Mrs. Carlson is employed in the Payroll Dept. Orlo, a former employee of the Standards Dept., is an Engineer at Socony-Vacuum Company, East Chicago.

The bride is the daughter of Mr. and Mrs. George Taylor of Spring St. George is an Engineer in the Locomotive Dept.

The newlyweds spent their honeymoon in Northern Wisconsin and are living in their home in Hammond.

Both are fond of bowling and the bowling alleys will be a spot of many hours of enjoyment as "Mr. and Mrs."

Hitler's Reservation

Hitler called the Devil on the telephone one day.

The girl at Central listened to all they had to say.

"Hello, 'tis Hitler speaking, is Old Man Satan home?"

Just tell him it's the Dictator who wants him on the 'phone."

The Devil said, "Howdy, Dolf," and Hitler said, "How are you,

I'm running Hell and Earth so tell me what to do."

"What can I do?" the Devil said,

"Dear old pal of mine, You don't need any help from me, you're doing mighty fine."

"Yes, I was doing fairly well until some time ago,

When a man named Uncle Sam told me to go slow.

He said to me, 'Dear Hitler, we don't want to be unkind,

But you've raised hell enough so you had better change your mind.'

I thought his Lense Plan a bluff; He'd never get through,

But soon he put me on the spot when he told me what to do.

So that's why I called you, Satan, I need advice from you

For I know that you can tell me exactly what to do."

Satan said, "Dear Partner, there is not much left to tell,

For Uncle Sam can make it hotter there than I can here in hell.

I've been a real old Devil, but not half as mean as you,

So the minute you get down here the job is yours to do.

I'll be ready for your coming and I'll keep the fires all bright;

I'll get your room all ready as soon as Sam begins to fight;

I know your days are numbered—there's nothing left to tell—

Hang up your 'phone—put on your hat—and come on down to hell." —Author Unknown

Most of the slogans stress the importance of speed, the danger of absenteeism, the perils of inefficiency and the need of working hard, buying bonds and keeping a silent tongue. Here are some of the slogans:

"He Who Naps Helps the Japs."

"If We Equip Them, Our Boys Will Whip Them."

"Produce! Produce! Produce! And Cook the Axis Goose."

"He who Relaxes Is Helping the Axis."

"Save on Scrap and Get Your Jap."

"Minutes Saved Here Means Lives Saved There."

"America Co-ordinated — The Enemy Eliminated."

"All Out Now—Or All In Later."

"You Can't Sit at Ease to Beat the Nipponese."

Margaret Reid, daughter of Mr. and Mrs. Clement Reid of Lilac St. was married to William Rohl, son of Mr. and Mrs. William Rohl of Park St., at St. Alban's Episcopal Church, Jan 1. Mrs. Charles J. Esola, sister of the bride, was matron of honor, Misses Edith Reid and Charlotte Roller were bridesmaids. La Donna Bobbitt was the flower girl. Henry Reid was the best man, with Jack Rohl and Walter Hunt as ushers.

Mrs. Steve Balog is recovering from an appendectomy.

Donald Curtis, son of Mr. and Mrs. Allen A. Curtis, was married to Virginia Bell Rotamel, daughter of the Clarence Rotamels of Albion, Ill., Jan. 4. A reception

for 20 members of the families and near friends was held at the Curtis home, where the young couple will reside temporarily.

Rupert Grant, son of Mrs. Eric Hartkopf, now in the U. S. Navy, was married to Maxine Hamilton of Miami, Fla. recently. The new bride is coming to Marktown to visit her new in-laws.

Edward (Buddy) Delotte, son of Mrs. Mary Delotte, Andrew (Buddy) McCann, son of Mr. and Mrs. Andy McCann, Nick Ackers, son of Mrs. Dan Poskin, and Ed Rappenacker, nephew of Mrs. Louis Springsteen, have joined the services of Uncle Sam. Our best wishes are extended to these boys.

Mr. and Mrs. John Trainor, pioneers of Marktown, having lived here for 23 years, are moving to Hammond, Ind.

Congratulations to Mr. and Mrs. Eugene Stack on the birth of a baby girl recently.

We hope all the families in town, who are going to move from one house to another, do not decide to move all on the same day. If they do, there is going to be one terrific traffic jam.

Beyda Lindbergh celebrated her birthday on Jan. 28. Beyda has two grown daughters, Charlotte, now a working girl, and Janet, a junior in High School. If we didn't know it Beyda, we would never believe it.

Hazel Haugh came to work with a different shoe on each foot and . . . she was in the company of Helen Rader the night before.

Mrs. Gray: "What do you find best for cleaning windows?"
Mrs. White: "My husband."

"My wife wants to know if it's all right to wear my wedding picture. She doesn't like this photo."

"We ignore him! His lunch box was made in Japan!"

Quick Exit

Son: "Mother, do angels have wings?"
Mother: "Yes, dear."
Son: "Daddy said nurse was an angel. When will she fly?"
Mother: "Tomorrow morning."

She Knew the Answer

The gentleman stopped to talk to the wee girl who was making mud pies on the sidewalk.
"My word," he exclaimed, "you're pretty dirty, aren't you?"
"Yes," she replied, "but I'm prettier, clean."
124

Dustin Wickenden, son of Mr. and Mrs. Percy Wickenden, was married Feb. 14 to Margie Johnson, daughter of Mr. and Mrs. Ross Johnson of Sunnyside, at St. John's Church in Whiting. Their attendants were Eva and George Holzbach. The wedding breakfast was served at Tiebels. Congratulations and best wishes.

Our sympathy is extended to George Johnson, whose brother died in Toledo, Ohio.

Congratulations to Tommy Small who was married Feb. 21.

Bill Rohl was in St. Catherine Hospital with several fractured ribs as the result of an automobile accident.

Mrs. Ervie Hartkopf was pleasantly surprised at a birthday party

given in her honor by Mrs. Raymond Connor of Columbus Drive. Fifteen of her lady friends from Mark attended and she was presented with many beautiful gifts.

Mrs. Martha Krause has been a patient in St. Catherine Hospital. Mrs. Percy Wickenden and his mother, Mrs. Walker, are also patients there.

Billy Kinkade is the proud papa of twin boys.

Congratulations to Edith Reid who was married Feb. 14.

Alvin Dettlerline has joined the services of Uncle Sam.

Walter Bourque has been appointed Area Coordinator for Civilian Defense and very shortly the men and women of Mark will

be completely organized in the protection of their families and homes.

Mary Catherine Young Vorwald was feted at a shower at the home of Mrs. Ed Gaston, Feb. 28. She received many lovely gifts from her fellow workers.

This Month's Bible Thought

"The Lord is my strength and my shield; my heart trusted in him, and I am helped: therefore my heart greatly rejoiceth; and with my song will I praise him."

—Psalm 28, 7.

J. E. Daily Succumbs After Month's Illness

John Edward Daily, age 58, Chicago District Manager of Operations for The Youngstown Sheet and Tube Company, died Sunday, March 8 in Illinois Central Hospital, Chicago, after illness of about a month.

Born in Terre Haute, Indiana, Mr. Daily had been associated with the steel industry since 1905, following his graduation from Rose Polytechnic Institute in Terre Haute.

His first employment was with the Carnegie-Illinois Steel Corp. in Youngstown, Ohio as a Construction Engineer. Later he was employed by the Brier Hill Steel Co. in Youngstown, the Algoma Steel Co. in Sault Ste. Marie, Michigan, the Sharon Steel Hoop Co. in Sharon, Pa., the United Alloy Corp. in Canton, Ohio, the Timkin Steel and Tube Co. in Canton, Ohio, and the Wheeling Steel Corp. in Steubenville, Ohio.

Mr. Daily was married in Terre Haute in 1912 to Miss Doyne Scott. His widow, a daughter, Mrs. Donald T. Campbell, Hammond, Indiana and a son, Scott E. Daily, Chicago survive.

"Pete", as his Steel Mill associates knew him, came to the Indiana Harbor Plant in 1934 as General Superintendent of Steel and Coke Plants. About a year later he was promoted to Chicago District Manager.

Mr. Daily was an outstanding leader, possessing qualities acquired only by coming up from the ranks and mutual cooperation with the workman. He carried the spirit of his earlier ex-

perience in baseball and other sport teams in his high office by encouraging the workman and management to "play ball."

The Hammond Times pays tribute to Mr. Daily in the following editorial:

"J. E. Daily, District Manager of The Youngstown Sheet and Tube Company, died yesterday in a Chicago hospital. The head of the second largest plant in North township and the third largest in northwestern Indiana, he had 10,000 steel workers under his direction.

"His death was really a sacrifice because he didn't spare himself, working long hours directing the efforts of his men to break all records of steel tonnage for military purpose. The result of the sustained application was that he was stricken with a fatal illness about a month ago.

"The war doesn't take all of its toll on the battlefields."

The body rested at the funeral home at 77th and Jeffery Boulevard surrounded by hundreds of floral offerings from his many friends. Final rites were held Tuesday, March 10, at Bryn Mawr Community Church, Chicago, after which the body was taken to Terre Haute, Indiana, for burial.

Our sincere sympathy is extended to the family of a grand and noble friend and leader.

With the Measles running rampant throughout the town and the home makers getting restless to start housecleaning, there was no doubt that spring had arrived early in April.

With the two ball fields being put into excellent shape, there should be many fine evenings of fun, recreation and relaxation ahead for all of us. Come out and see the games.

Mr. and Mrs. Reuben Carlson, (she is the former Dorothy Helgren), announce the birth of a baby girl born April 27.

Old Documents Hobby For James C. Gray

By Carl M. Stillwell

James C. Gray, of Hammond, was an enthusiastic stamp collector but he sold his stamp collection and took up his rare hobby of today—collector of old documents.

James C. Gray
... collects old documents

One of the documents on the table before him dates back to Nov. 19, 1804. It is a deposition from Harrison County, Virginia, 58,400 acres involved, signed by John Adams, George Jackson and Sam M. Crow. "Surveying stopped on account of Indiana," the document reads.

Another sheepskin parchment for land grant, signed by James Monroe in 1801. Many others in his possession have a wide range of variation in dates and subject, making his collection one of the best in the country.

Gray was born in White Sulphur Springs, West Virginia, in 1884. He started to work with the Company in 1928. Jim spent several years as a Hot Mill Roller and is now a member of the Tin Mill Salvage Dept.

George C. Reid, of Highland, a former Messenger boy, is a Stock Vile Clerk, with seven years service. George says his No. 1 hobby is his beautiful daughter. He claims his fish stories are as good as the other boys' and seems to have a good selection of fishing rods. Hunting wild game affords him sport in season.

Margaret Paulson has just surprised us with the news she has been secretly married for five months. She is giving up her work and we want her to know that we wish her and her husband all the luck there is.

Safety and Defense

Only work and production can make a nation strong! But safety, along with production, is essential.

Posters of the type shown here are used to remind us of this fact. The safe way to do a job is often times the quickest, and—in all cases—the prevention of injuries saves many man hours, and results in greater production.

It is estimated that, in industry in 1940, one and a half billion man hours were lost by employees as the result of injuries. This one and a half billion man hours could have been used to build 45 battleships, 15,000 bombers, or 200,000 training planes.

Yes, Safety in industry is essential to National Defense!

Minstrel Committee, Cast Attend Party

The Annual Dinner Dance for the Minstrel Cast and Committee was held at the Casino in Chicago, May 22.

About 170 attended and enjoyed an evening of good fellowship. A delicious dinner was served, followed by dancing, a floor show, and four outstanding acts from the Minstrel itself.

Beautiful bouquets were presented to Mrs. Donnersberger, Mrs. Harry Young, and Constance Miller in honor of the splendid services of Fred Donnersberger, Harry Young and Mrs. Miller, herself, who so nobly assisted Mr. Young.

Guests were given the privilege of attending by admission. The enthusiastic banquettes were jubilant of the show's success and eager to do their part in making the next annual Minstrel an even greater success.

Marktown on the Party Line

By Jess Stewart

To our neighbors and friends we wish to acknowledge with grateful appreciation your very kind and thoughtful expressions of sympathy during our recent bereavement. Mrs. Roy Morton and daughter, Gloria.

Mr. and Mrs. Dave White spent the last two weeks in July visiting their son, Jim and family, in Winona, N. J.

Clement Reid flew to Newfoundland to visit his brother.

Bernard Welch, aged 11, of Marktown, was crowned King Freckles at "Freckled Face Kids Day" at the Chicago Fair July 6. Bernard and an eight-year-old queen were chosen from among 600 youngsters.

We extend deepest sympathy to Mrs. Agnes Pollack and Mr. and Mrs. John J. Pollack and family in the death of Frank Pollack June 28. They in turn wish to acknowledge with grateful appreciation the very kind and thoughtful expressions of sympathy from their friends and neighbors.

In Memoriam

Frank G. Pollack, an employee of the Pipe Mill Department,

passed away in St. Catherine Hospital June 28. He had been an employee since October, 1939, except for several years of overseas service during World War II. Funeral services were held at the McGuan Mortuary and St. Patrick Church with burial in St. John Cemetery. His survivors are his wife, Agnes; his parents, Mr. and Mrs. John J. Pollack; two sisters, Mrs. Nicholas Makar and Miss Mary Pollack; and two brothers, Albert and John. Frank's wife, Agnes, his father and two brothers are also employees of The Youngstown Sheet and Tube Company.

Louis S. Fernando, 511 School St., Marktown, died July 10 at the Hazelcrest Hospital at Hazelcrest, Ill. Funeral services were held at the McGuan Mortuary. He was an employee in the Rolling Mills Department and had been with The Youngstown Sheet and Tube Company since September, 1923. He is survived by his wife, Myrtle; two sons, La Vern and Robert; a daughter, Sharon, and a brother, Frank, of St. Louis, Mo.

IT IS HARD

To forget
To forgive
To apologize
To take advice
To admit error
To be unselfish
To save money
To be charitable
To be considerate
To avoid mistakes
To keep out of the rut
To make the best of little things
To shoulder blame
To keep your temper at all times
To begin all over again
To maintain a high standard
To keep on keeping on
To think first and act afterwards
BUT IT PAYS. —Lifelines.

Lessons in Living

Learn to laugh—a good laugh is better than medicine.

Learn to attend to your own business—few men can handle their own business well.

Learn to tell a story—a well told story is like a sunbeam in a sick room.

Learn to avoid sarcasm—it gives neither the hearer nor the speaker any satisfaction.

Learn to stop grumbling—if you can't see any good in the world it's only fair to keep the bad to yourself.

Learn to hide aches with a smile—nobody is interested anyway.

To be trusted is a greater compliment than to be loved. —George MacDonald

Trust Truth, not error; and Truth will give you all that belongs to the rights of freedom. —Mary Baker Eddy

We do not trust God, but tempt Him, when our expectations slacken our exertions. —M. Henry

A childlike trust of heart, that can take a hand, and wondering, walk in paths unknown and strange, is the prime requisite of all religion. —James Martineau

Duty makes us do things well, but love makes us do them beautifully. —Phillips Brooks.

Marktown on the Party Line

By Jess Stewart

We extend deepest sympathy to the family of Mrs. Elizabeth Burd who passed away Aug. 6, after a lingering illness. They, in turn, wish to acknowledge with grateful appreciation the kind and thoughtful expressions of sympathy from their friends and neighbors.

Cpl. Jim Bruner is in Korea

with the First Tank Battalion, U. S. Marines.

Mr. and Mrs. Andy Holzbach spent their vacation in Minnesota on a fishing trip.

Mrs. Alfred Luther spent a month in Gulf Port, Miss., visiting her sister. After a week at home she and Alfred drove to Spokane, Wash., to spend three weeks with their daughter, Betty Sefton, and granddaughter, Bonnie Jean. Betty's husband, Capt. James Sefton, is with the U. S. Air Force in the Korean area.

Back in School

Gene Donaldson returned to the University of Kentucky in September and Bill Holzbach began his college career at the University of Indiana.

We wish a speedy recovery to Charlie Stewart who was in St. Catherine Hospital with a heart attack.

Congratulations and best wishes to Norma Jean Krause who was married to Alfred Miesch of Hessville Aug. 5; to Howard Smith who was married to Audrey Holmes of East Chicago Aug 5; to Ruth Southern who was married to Donald Kerr of East Chicago Aug. 12, and to Myrna Johnson who was married to Donald Quinn of East Chicago Aug. 30.

We wish a speedy recovery to Lorney Deiotte who was in Hines Hospital.

Marktown Team Paces League in Golf Play

By Dale Knarr

Standing of the Plant Golf League near the end of the season showed Marktown team leading the parade. This team is composed of Joe Patton, Horace Winegar, captain, Roy Mulholland, Bill Brown, Tom Howell, Dave Cook and Claude Wheeler. The need for so many players on a team is because of some of the team members working shifts.

Old Timers Back

Clem Reid and John Bevan, retired Rolling Mill men, visited the plant recently to make sure everything was O. K. They say that they want to make sure we are taking good care of their mill. It was good to see them again.

Bill Jones bought a new house in Gary, right alongside of a

house he used to live in years ago.

Bill Holzbach, son of Andy Holzbach, Billet Mill roller, has enrolled at Indiana University. This news tends to confirm rumors that Clyde Smith, coach at Indiana U., is going to have one of the best freshman squads in the Big Ten.

Marktown on the Party Line

By Jess Stewart

Frances Griffin spent a week of her vacation in New York City.

We are sorry to report that Marine Cpl. James L. Bruner was reported wounded in action in the Korean war.

Allen Johnson has gone to college at Bowling Green, O., and Bob Hanrahan, Jr., to the University of Illinois.

Mary Margaret Hazel joined the Holy Cross Order in South Bend, Ind., in September.

In Korea

Richard Davids is with the U. S. Air Force in the Korean area.

Mrs. Lillian Reel and son, Ralph, wish to thank their friends and neighbors of Marktown for their kind consideration and sympathy in the death of their husband and father, Ralph Reel, who was killed while driving in the Midget Auto Races Aug. 16, at Grand Rapids, Mich.

WITH this nation again facing a serious crisis, it is a privilege and a pleasure to welcome you to our plants so you can see what we are doing to make America strong in this hour of need.

Since hostilities ended five years ago, we have invested millions of dollars improving our facilities and increasing our iron and steel making capacities. Quite a bit of this money has been invested in the Chicago District plants.

On October 11, both our Indiana Harbor Steel Plant and our Indiana Harbor Tin Mill will be open to visitors of Junior High School age and older, from 9 a.m. to 3 p.m. We invite you to join thousands of others from the Calumet District in visiting our plants.

L. M. Stupp
Chicago District Manager

Special Tours Are Planned for Steel and Tin Units

Persons of High School Age and Over Invited to See Plant Operations

Harbor Works plants of The Youngstown Sheet and Tube Company will hold a Golden Anniversary Open House Wednesday, Oct. 11.

Special tours are being planned for the Steel Plant and Tin Mill to show how iron and steel are made and processed.

Gates to the two plants will be open to all visitors of high school age and older, from 9 a. m. to 3 p. m. Visitors will not be permitted to use cameras in the plants.

Routes of Tours

The Steel Plant tour will include the Open Hearth, Blooming Mill, Billet Mill, Bar Mill, Merchant Mills, the 10-inch Skelp Mill and No. 2 Continuous Butt Weld. Visitors will go alongside the Power House, Boiler House and Blast Furnaces.

At the No. 2 Continuous Butt Weld, visitors will see pipe being made on a new mill which went into operation this summer.

The Tin Mill tour will include the Hot Strip Mill, Cold Strip Mill, Tin Finishing and the Metallurgical Laboratory.

This will be the third open house held by The Youngstown Sheet and Tube Company since World War II ended.

The Youngstown Sheet and Tube Company is observing its 50th anniversary this year. Late in 1900 a small group of Youngstown, O., business leaders organized The Youngstown Iron, Sheet and Tube Company. Five years later the word "Iron" was dropped from the name.

In 1923 The Youngstown Sheet and Tube Company purchased Steel and Tube Company of America, now the Harbor Works plants. Down through the years the company has expanded its operations in this district, becoming one of the major industries in the Calumet area.
