By Jess Stewart

Guy Robey, Charlie Carroll and Walter Ullstam were patients in St. Catherine Hospital. We are glad to report they have returned to work.

Erie Snyder didn't enjoy his vacation one little bit, and we know why. Don't be mad, Erie. There were a lot of others in the same boat.

Mr. and Mrs. Paul Vale are proud to announce the birth of a daughter, May 11.

Mrs. Will McIntyre, who was in St. Catherine Hospital with a serious illness, is home and feeling much better.

Marktown vets held a very successful dance at the Mark Hotel May 25. The purpose was to raise funds to furnish their club room.

It is with regret that we learned of the passing of Jim Graham who went to California for his health. We extend to Mrs. Graham and her family our deepest sympathy.

And to Mrs. Bob Bord and her family we extend our deepest

sympathy. Mr. Burd died and was buried in Uniontown, Pa. They wish to take this opportunity to acknowledge with grateful appreciation the kind and thoughtful expressions of sympathy extended by the neighbors and friends of Marktown.

Mr. and Mrs. Alex Stewart flew to Gargatha, Va., to spend their vacation in May.

Frances Deiotte, Michael Scafuri Wed

James Graham Dies

James M. Graham, Butt Weld Finishing Floor foreman, passed away Sunday, May 19.

Mr. Graham had been an employee of the Pipe Mill since August, 1930, most of his time being spent as supervisor on the finishing floors. He was known and liked by all for his cheerful smile, his willingness to cooperate and his ability to get along with all his co-workers.

For the past two years he had been in poor health and in order to better his condition recently went to California to visit his daughter with the hope a change in climate might help. It was from there that word was received he had passed away.

Mr. Graham leaves his wife, a son, and daughter, both of whom are married. To the family of Mr. Graham, the pipe mill employees offer their deepest condolence and sympathy in their great loss.

Mr. and Mrs. Michael Scafuri were married Feb. 27. Mrs. Scafuri is the former Frances Deiotte, daughter of Ira Deiotte, electrical division foreman. She formerly worked in the tabulating department. Mr. Scafuri recently was discharged from the service. They are making their home in Detroit.

This Is America . . .

There was a dream—
That men could one day speak the
thoughts of their own choosing.
There was a hope—

That men could one day stroll
through streets at evening un-

There was a prayer—
That each could speak to his own
God in his own Church.
That dream, that hope, that
prayer became—America.
Great strength, youthful heart,
vast enterprise, hard work
made it so.

Now, that same America is the

BUDDIES

By C. W. Russell

When you've been away from work,
Or sick for quite a while,
And you return again,
You are greeted with a smile.

And your buddy shakes your hand,
Says he's glad to see you back,
'Tis then you understand
What you think of Jim or Jack.

Makes a chill go up your spine,
When your friends greet you that way,
And it makes you feel so fine,
For they mean just what they say.

The value beyond measure
Of these kind words, or smile,
And in memory we will treasure
Cause they make one's life worth while.

'Tis so grand to know they miss you,
When you are far away,
And your heart beats somewhat faster,
When you hear what they have

George Taylor Completes 25 Years with Youngstown

George Taylor, locomotive engineer, has completed 25 years of service with the company and has received his service emblem.

George began with the company in the inspection department when his father, Frank Taylor, was chief inspector. He transferred to the locomotive department in 1923 and has been there since.

Taylor has a colorful athletic background. He played in the first baseball game as catcher when Turner Field in Hammond was dedicated. "I was catcher for the East Chicago Diamond Club and we played the Hammond Colonials. Yes, we lost, but it took 10 innings to defeat us 4 to 3."

He was one of the pioneers in starting the Y. E. A. A. He bowled when four teams started a league in 1922 bowling games in East Chicago, above where the Vogue Theater now stands. His father Frank, with Hardwick, A. Kamerer, John Mayer, Joe Klosowski, and Herman Miller were some of the pioneer bowlers. George was president of Hammond division Y. E. A. A. bowling leagues last year. He bowls an excellent game.

Ken Taylor of the stores department, who served with the 11th Airborne Paratroopers is his son. The Taylors have two daughters, Ruth Carlson, a former employee here and Beatrice. George is very proud of his two granddaughters and grandson. Give him a fishing rod and the fish are in danger—a baseball bat and fielders move back—yes, ten pins quiver when George takes 'em. Mrs. Taylor is a bowling fan, too.

In Memory of Jim Wilson
Who Passed Away March 13, 1946

By C. W. Russell
Jim was a mighty good friend of mine.
As we worked together in the old steel mill;
I knew he was handy, any old time,
For often, the work was all up hill.

He was ready and willing to lend a hand,
Whenever the need of assistance appeared;
And seemed so often to understand,
When others, frequently, the problem, feared.

Now Jim has gone to the Eternal Shore;
We shall miss him as the days go by,
The puzzles and problems will worry no more,
The mighty good friend of both you and I.

MARK COMMUNITY WELCOME HOME COMMITTEE

East Chicago, Indiana

Dear Friends:

Your Mark Community Welcome Home Committee has just completed a series of 14 parties in honor of the young men and women of Mark Subdivision who served their country so faithfully during the trying days and years of World War II.

With your splendid support, we have been able to entertain 70 servicemen and women who have been discharged and returned to their homes. Each and everyone has been presented with a pen and pencil set, a gift from the people of Mark, as a token of their appreciation for the services rendered their country. We believe about four of our boys are still in military service and we expect to honor them when they return. In memory of the five boys who gave their lives for their country, we expect to soon present their families with plaques as a fitting tribute for the supreme sacrifice they rendered their country.

While your committee is proud of this record and proud of the support given by the people of Mark, they are unwilling to quit until they have completed a program they agreed on back in the year 1943. At that time it was agreed that after all service people were discharged and returned to their homes, your committee would promote a banquet and dance in honor of all the servicemen and women who entered the service while residents of Mark Subdivision. Your committee believes this should be made a community affair where every resident of Mark and the parents, wives and friends of those servicemen and women who have moved from Mark could attend. Let's make it a homecoming affair.

We have a tentative program. Here it is:

- (1) Dinner at Vogel's Restaurant October 12, starting about 6:30 p.m.
- (2) Dance and good orchestra at Vogel's, 9 p.m.
- (3) Tickets to be priced at about \$2 per person. This would include admission to dance as well as your dinner. Free tickets to be furnished servicemen and women estimated at about 125 maximum.

Remember, these boys and girls fought, and some died for us. Let's show every one that the good people of Mark Subdivision don't forget. Mail your reply at once, so your committee can make the necessary arrangements.

Yours very truly,
Lawrence D. Hunt.

The Great American "Cannots"

You cannot bring about prosperity by discouraging thrift.
You cannot strengthen the weak by weakening the strong.

You cannot help small men by tearing down big men.
You cannot lift the wage-earner by pulling down the wage-payer.

You cannot help the poor by destroying the rich.
You cannot establish sound security on borrowed money.
You cannot further the brotherhood of man by inciting class hatred.
You can not build character and courage by taking away a man's initiative and independence.

FRIENDS

By C. W. Bassett

It takes a heap of sickness
To make us see things clear,
And there's the time
It brings to mind
The friends who are so dear.
They come to see us often,
And shake us by the hand;
Send flowers, cards or candy,
Write letters that are dandy,
To make us understand.

Tis when we are in trouble
And need a friend so true,
We then will find,
The only kind
Who prove themselves true blue.
So take a tip from one who
knows,
And has just been through the
mill;
Don't think you have
No friends at all,
Just wait until you're ill.

I am thankful
For the flag of stars and stripes,
I am thankful
That it stands for Freedom's cause,
For Truth and Right—
Twin torches bright—
The guardians of our laws.
I am thankful, yes, I'm thankful
And I reverently pause.

I am thankful

I am glad indeed

Mark Residents Honor Veterans of World War II

Mark Community climaxed its welcome home program for returning veterans with a dinner and dance at Vogel's Oct. 12.

Four hundred and fifty, most of them Youngstown families, attended the colorful event. It was a memorial long to be remembered, honoring men and women of Mark community who served their country during World War II.

The group stood in reverence of five who gave their lives in battle.

Prior to this occasion 14 homecoming celebrations were held in Mark Hotel. Each returning veteran was presented a beautiful pen and pencil set.

Larry Hunt, of the Plants Accounting Department was an eloquent toastmaster. He is chairman of the welcome-home committee. Mrs. Walter Bourque, whose husband is a mechanic at Coke Plant, sang the Star-Spangled Banner, accompanied by Miss Mae Flynn. Mrs. Bourque later led group song hits, ending with God Bless America.

Former Pastor Speaks

Patrick J. Shanley of Plants Invoice Department gave the invocation. W. E. Hodenbacker, a former clergyman and commander of American Legion Post 266 of East Chicago gave the impressive address. A dance followed the dinner.

Reynold Young's orchestra furnished music and Kay Vernon of Company's Tabulating Department was vocalist.

Officers of welcome home-committee are Laurence Hunt, chairman; Solvan Sylvester, secretary-treasurer, and Roy Cornell, assistant secretary-treasurer. Thirtynine other Marktowners were

Home Is Greatest

"Home is the greatest word in the English language," Hodenbacker said.

Speaking of home, Mr. Hodenbacker said, "We thought about it in camp, on the beaches and in the fox holes. We thought about it all the time.

"One group stole an amphibious truck and started for the United States from France. They got about 100 miles from shore and ran out of gas. They were rescued by other craft.

"Things have changed much in this country in the last few years," the speaker said, "and the spirit of fighting men will be needed here."

Spirit Needed

"I hope they keep that spirit they had over there—that never say die spirit. If they do, we need not fear those lads in this country."

"The days ahead of us are crucial days because the thinking of America has changed. We are thinking of material things entirely. Everybody is worried about shortages and wondering what is to be done. When a nation thinks of material shortages and forgets spiritual things, we had better watch out.

"We have returned to individualistic selfishness and away from the teachings of our founding fathers."

Urging veterans to take an active part in community affairs, he said:

"We can do a lot as returned veterans by keeping that fighting spirit we had over there. If we do our share in building this land of ours, we can be sure that we will never go through another catastrophe as we have gone through."
