

Marktown on the Party Line

By Jess Stewart

Mr. and Mrs. Glenn Thomas announce the birth of a son March 12.

Mr. and Mrs. Bob Burd announce the birth of a son the same day.

The old familiar call of "Eppie, Eppie, Eppie" will be heard no more. Alec, the fruit man, who served Marktown faithfully for many years, passed away in February.

Mrs. Weir, Bob, and Tom Weir went to Grove City, Pa., to attend the funeral of Mrs. Weir's sister-in-law in February.

Clyde Hendy required two stitches to close a cut near his eye, and had a cracked wrist bone from a fall on the ice Feb. 21.

Visit Here

Mrs. James White and son, Bobby, of Philadelphia, Pa., visited Mr. and Mrs. Dave White in March.

Gene Donaldson won the state wrestling title in his weight classification at Indianapolis, Feb. 22. Nice going, Gene.

Mrs. Elizabeth Burd, Mary Jane Dunlap, Betty Ann, and Bob Burd went to Uniontown, Pa., to attend the funeral of the late Robert Burd's father.

Our deepest sympathy is extended to Mrs. Roy Mulholland, whose mother, Mrs. Ida Stump, passed away March 16. The family wish to acknowledge with grateful appreciation the kind and thoughtful expressions of sympathy extended by their neighbors and friends of Marktown.

Five Paulsons at Youngstown

By George Millman

Four children of Hans Paulson are employed by The Youngstown Sheet and Tube Company. They are shown above with their mother. Left to right are Ed, Mrs. Paulson, Bernard, Lucille, and Louis. Hans is a foreman in the Open Hearth Department.

The three sons were in the armed services during the war while Hans and Lucille helped make the steel needed for the fighters. With the sons back, all have joined Youngstown.

Hans joined The Youngstown Sheet and Tube Company in May, 1934, as a switchman. Lucille has been a tabulating machine operator since December, 1941. She graduated from North Judson, Ind., high school and Hammond Business College.

Edward began to work for the

company in June, 1943, as a Metallurgical Department laboratory assistant. He entered the Army in July, 1943 and served two years seven months.

Louis returned to his former occupation in the Chipping Department as a scarfer shortly after his discharge from military service. He served 3½ years in the Army and was a Staff Sergeant when discharged. Louis was first employed in October, 1939.

Bernard enlisted in the Navy and served from May, 1945 to August, 1946. His service with the company began in June, 1944 in the Assorting Department. He is now employed with the Fuel Dept.

The Paulsons are loyal Youngstown workers and set an example that might well be followed by the families of others now employed at Indiana Harbor Works.

Bruner Advances

Otis Bruner, recently advanced to a Lap Weld Finishing Floor turn foreman at Pipe Mill, has almost 29 years service with the company.

His first job was unloading sand where soaking pits and the boiler house now stand. He worked as a concrete mixer, truck driver, garage mechanic, threading machine operator and die setter before becoming a foreman. His hobby is a home workshop, and his recreations, hunting and fishing.

The Bruners have a son and daughter. James, 17, a senior at Roosevelt High School, East Chicago, played guard with the "Rough Riders" and was named player with best attitude. He now is member of R. H. S. wrestling and rifle teams.

Margaret Alice after graduation as an honor student at Washington High School, East Chicago, worked in Invoice Department, here for a year and a half —then joined the WAVES. She now is employed in Tin Mill Accounting Department.

We are glad to report that Cline Shy is recovering from his recent illness.

Mrs. Wilbur Morton who underwent a major operation, also is recovering.

Mrs. James Morton sprained her ankle April 2 when she fell down the steps at St. Catherine Hospital. As long as you had to fall, Gladys, at least you picked a convenient place.

Al Danner is recovering from a recent heart attack.

Mrs. Thor Larson flew to Omaha, Neb., April 10 to spend several days with her sister, Lorraine, who is married to Rev. Allan Bergquist.

George Johnson flew to California to attend the funeral of his brother.

Mother Dies

Our deepest sympathy is extended to Mrs. Joe Patton and Mrs. Tom Howell, whose mother, Mrs. Elvira Roller, died April 3. They in turn wish to acknowledge with grateful appreciation the kind and thoughtful expressions of sympathy extended by their neighbors and friends of Marktown during their recent bereavement.

Club Changed

The Vets' Club has been changed to the Marktown Community Men's Social Club. All men interested in joining will be more than welcome. An athletic program is being planned. Meetings are held the first and fourth Mondays of each month at Shy's Mill Gate Inn.

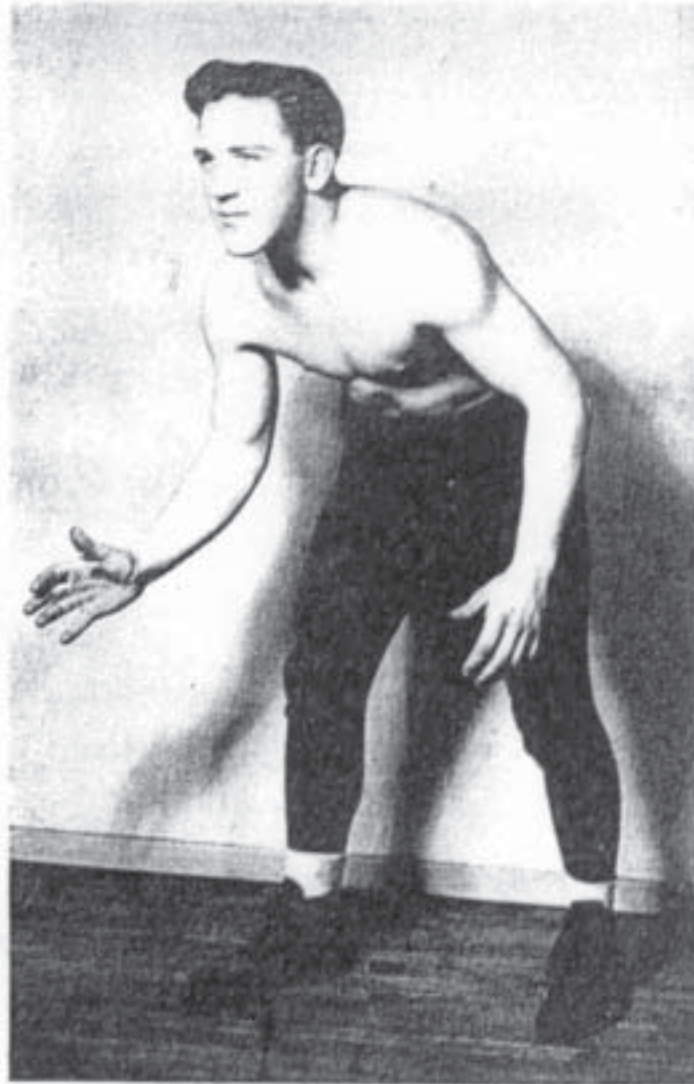

The club will hold a dance May 30 in Croation Hall, Chicago Avenue. Music will be furnished by Reynold Young's orchestra with Kay Vernon as vocalist. With your attendance and support the club hopes to make their first dance a successful venture.

The Easter egg hunt, sponsored by the Men's Social Club was a huge success, despite the fact the eggs were practically floating around the ball field. There were 1200 eggs, donated by the residents of Marktown, who did an excellent job of coloring which held, regardless of the all night rain preceeding the hunt.

Prize winners were Children up to 6 years: Reggie Kincaid, first prize, large pink bunny; Medra Nordquist, second prize, chairs and table; Ronald Wiirre, third prize, donkey; Sharon Fernando, fourth prize, scooter.

For most eggs found, an Easter basket to each, Marilyn Chicki, 21 eggs; Herbie Southern, 20 eggs; Jackie Davids, 19 eggs; Steve Berkus, 16.

Prize winners 6 to 12 years: Pat O'Malley, first, basket; Judy Meger; second, locket; Linda Walls, third, egg.

By Jess Stewart

Gene Donaldson, of Marktown, son of Dick Donaldson, Steel Plant switchman, won the Indiana State Champion wrestling title in the 175-pound classification. He was the star left guard on the Roosevelt High School Champion Football team for 1946, and is a member of the school's rifle club.

For most eggs found—Billie Dale Snyder, 32 eggs, gun; Joe Moore, 25 eggs, billfold; Bert Suter, 24 eggs, basket; Jo Ann Bourque, 24 eggs, bracelet; Beverly Sayger, 16 eggs, basket; Jim Davids, five pair of socks.

Cooperation given the club by the residents in this event was very gratifying. If it continues, future social and athletic activities in town look very bright.

"Ol' Sojer" Pays Glowing Tribute as Farewell to "Uncle Jim" Moore

By "Ol' Sojer"

"Error of opinion may be tolerated where reason is left free to combat it."

(Jefferson, March 4, 1801)

And so we open our farewell to one of our most cherished friends . . . and delightfully humorous fellow workers—James Foster Moore, known to us these 13 years as "Uncle Jim!"

Uncle Jim was born in Garrison, (Kaintucky, seh!) June 27, 1868, and attended Riverside Seminary at Vanceburg, Ky. where he prepared for the Methodist ministry, which he passed up in favor of employment as a Commercial Traveler—(Oh, for the life of a Travelin' Man!) He added materially to the sales volume of Harbison-Walker Co. for 13 years . . . travelin' over Kentucky and adjacent territory by means of that famed conveyance known as: "A Hoss 'n Bug-EY."

At Portsmouth

He also served the Portsmouth (later Wheeling) Steel Company as a supervisor of labor for 12 years, and entered the employ of this company May 5, 1922. He served eight years in the Pipe Mills, and thirteen years and seven months with Property Protection where we had the privilege of becoming acquainted with his keen insight into human frailties, and his delightful sense of clean and wholesome humor.

Uncle Jim and his lifelong sweetheart, "Stella Francis" (Mrs. Moore) were blessed with five children, four of whom are living. Uncle Jim and Mrs. Moore have seven grandchildren, who bring them much action through the year . . . especially at Thanksgivin' and Christmas time!

Uncle Jim has four sisters living, all of whom are between the ages of 74 and 87 years, (and we wish them many more with Uncle Jim and Stella Francis) and this bespeaks something for the climate of "Ol' Kaintuck, seh!"

Uncle Jim stressed the fact that he is keenly interested in basketball and baseball. He also likes to hoe in the garden and consume a few choice stogies in the cool o' the evenin'. (Note: We respectfully mention the fact that Uncle Jim also recalls lavender and old lace and thus pays court to Stella Francis, as of old, and for that we admire him!)

Uncle Jim and Mrs. Moore were married Dec. 7, 1891, and will celebrate their golden wedding, Dec. 7, 1947.

Work Every Day

We desire to stress the fact that Uncle Jim never missed a working day during 1944-45-46 and that through the war years he worked right through the heat of summer adding his bit toward the common victory.

In addition to this rather weak tribute to one of the grandest gentlemen we ever have known, we also respectfully offer certain "caricatures" and a "shot" of "Ol' Nelly" headed for Vanceburg on Saturday afternoon. (Note: Uncle Jim kindly approved our efforts, so we present him with the cane shown in sketch!)

We recall a certain very hot day in 1943, during our military drill period, when we suggested that Uncle Jim retire to the shade. We were told: "Seh, I belong to the uniform rank of the K. o' P's and I can march as long

as the rest of you boys" . . . and THAT, my friends, is a sample of Americanism! We regard our drill time with Uncle Jim as a distinct honor!

"A merry heart doeth good like a medicine."

Safety First

As we journey through life let us live by the way.
 A saying of old that applies well today.
 There is nothing so sweet as life after all,
 So why take the chances that hasten "your call"?
 You often save time by the short cuts you take,
 But whenever you do you've something at stake;
 For the time that you save would never repay
 For the time you will lose if you slip on the way.
 Very often the safety of others depends
 On the judgment you use, it may be a friend;
 There's never a time through the night or the day
 When the chances we take are worth what we pay.
 The "safety first" way may seem longer and slow
 But it leads you past dangers you never may know.
 So now is the time to look well ahead,
 "Safety First" cannot help you after you're dead.

By Gene Nevak

Joy of Old Age

There really is no tragedy
 In being old and gray.
 And wondering how soon the night
 Will draw the shades of day.
 Old people have their memories,
 Of silver and of gold;
 That are their own exclusively,
 To have and always hold.
 The memory of childhood with
 Its laughter and its tears;
 And all the strange and funny things
 Of adolescent years.
 The trials of a marriage but,
 The comfort of it all.
 And then the pride and happiness,
 Of children growing tall.
 And so there is no tragedy
 In being old and gray;
 But only joy in having time,
 To dream of yesterday.

"FRIENDSHIP"

Friendship is something that money can't buy,
You can't win with money, you lose it
you try!
It's something quite rare, it's worth any cost,
You don't learn true friendship, till it's
about lost!

A pat on the back, enough for a friend,
A pat who will stick until you're down
near the end,
A smile of sadness a word in your time,
That is the meaning of having a true
friend.

Showing regard when a friend is around,
Taking him in as a real friend on the ground;
Showing respect when he's trying to talk,
Sharing the honey and the bitter hard
knock.

Lending a hand if a friend is in need,
Giving your all, if your all does a good
deed;
Knowing your friendship is, up to the
end,
That is the meaning that goes with a true
friend.

Staying by close when he's lonely or blue,
Trying to cheer up his low spirits anew;
Shaking his hand and with him being
frank,
Saying to him he can turn and on you
bank.

All of these things are what makes for
a friend,
If you can do all this and stick to the
end;
You'll then know just what I'm talking
about,
And friendship is something you won't
be without.

Nurse it and feed it and keep it alive,
It's good in a palace and swell in a
dive;
Be true to your heart—you'll learn at
the end,
You've won more than friendship—
you've won you a friend!

Bill Holzbach Shines on Grid Field As East Chicago Wins State Title

By DEWITT T. MOBLEY

The football team of East Chicago Roosevelt High School has concluded its third consecutive year of highly successful endeavor.

On the night of Nov. 14, the Riders of Roosevelt soundly trounced Washington of South Bend—15-0. This victory gave the Roosevelt High team its third straight State Championship. It also kept intact a winning streak of 31 games.

The Riders were victorious over La Porte—in the 1946 finals—32-0. In 1945, South Bend Central fell before Roosevelt 20-0. Not a point was scored against the East Chicago stalwarts in these championship finals—over a three-year period.

Holzbach Stars

Prospects for a winning combination on the football field for the next few years, seem to be very good. This, of course, brings William "Bill" Holzbach to the fore. The lad, although a sophomore and a reserve, has been very much in the spotlight throughout the season just ended.

Due to injuries to halfback Ronald Clark and fullback Gene Donaldson, "Bill" has almost been a regular—in that dream backfield. Frank Kmak, quarterback and Henry Homco, halfback—are the other members of this quartette.

In the first seven games of the '47 season, "Bill" was in there an average 20 minutes per game. He is a very good kicker, getting off some good boots, but no statistics are available.

His passing was very good—32 attempts, 16 completions, three interceptions—average gain per pass 16.3 yds.

At rushing—he had 86 tries—with a total of 526 yards, or an average of 6.1 yards per try. That, is good football playing, believe you me.

Good on Defense

On the defense—Bill is exceptionally good. He is a sure-fire tackler, plays well in the "safety" position, is a fine blocker, and very good on pass defense. Under the tutorship of those able coaches, Pete Rucinski and Ernie Miller—Bill has acquired much of the fundamentals of football. And too, one of his greatest assets—is "poise." He is as cool as the proverbial "cucumber."

It has been the privilege and pleasure of this writer, to witness innumerable high school, college, and professional football

William "Bill" Holzbach, son of Mr. and Mrs. Andrew Holzbach, Marktown, East Chicago.

games. And, this young fellow, Bill Holzbach—at the age of 16—has just about "everything." His height is five feet eight inches, and his weight is 155 pounds. His earlier training was at St. Patrick's grade school, East Chicago.

Modest

Bill is rather frank in admitting that his scholastic rating—is just "fair." He was crowned "Prince of the Freshman Class" in 1946.

He is undecided as to which University he will enter—Notre

Dame or Purdue. He will try for a degree in Physical Education, and in the meantime will be majoring in "sports." Strange to say, he prefers baseball over any other branch of sports.

Bill considers the Notre Dame eleven, the best of College teams, and the Chicago Bears as "tops"—in the Pro field.

Runs in Family

There is considerable football color and background—in Bill's family. George Holzbach, an Uncle—was an all-state halfback at East Chicago Washington High in '28, and later—having a Freshman year of football—at Indiana University. Another Uncle, George White, was an all-state guard at this same Washington of East Chicago, and later played on the Purdue eleven.

This writer had the opportunity of seeing the following outstanding backfield stars in High School and College football play. In their High School sophomore year, I am sure they could exhibit no more football talent, than does young "Bill." I am listing eight former "greats"—from the Calumet Region:

Tom Harmon, Horace Mann High, Gary, Michigan U. and Los Angeles (pro).

Julie Rykovich, Lew Wallace High, Gary, Illinois and Buffalo (pro).

Tom Kusma, Emerson High, Gary and Michigan.

Nick Lukata, Froebel High, Gary and Notre Dame.

Don Kiser, Horace Mann High, Gary and Notre Dame.

Frank Patrick, Roosevelt High, East Chicago, Pittsburgh, and Chicago Cards.

Vincent Oliver, Whiting High, Whiting and Indiana.

Arthur Murakowski, Washington High, East Chicago and Northwestern.

Youngstown Men

Young Bill really has a family background at Youngstown.

His father, Andrew Holzbach, is a Bar and Billet Mill roller with 17 years' service.

A grandfather, George Holzbach, Sr., is a Turn Foreman, Boiler House, and has 30 years of service.

A grandfather, Roy White, Sr., is a Bar and Billet Mill roller with 20 years service.

A great uncle, David White, Bar and Billet Mill Engineer, has 20 years service.

An uncle, George Holzbach,

Jr., Billet Mill Finisher, 17 years service.

An uncle, Roy White, Jr., Maintenance Man Coke Plant, 10 years service.

Mr. and Mrs.
Deiotte

This month brings us news of special events. So let's get on the beam and ring out the wedding bells for Betty Hansen and Betty Orr.

Betty Hansen became the bride of Lawrence Deiotte Oct. 2. Girls of the lab held a post-nuptial shower for her Oct. 16 at Phil Smidt's. Mrs. Deiotte was the recipient of many lovely gifts. Several former lab girls attended, including Sue Crowe, Ellen Chizmar, Frances Chizmar, Anne Sperko, Violet Ballard, Ruth Skibbie, Devonia Vance, and Catherine Henley. Everyone had a wonderful time and enjoyed feting the bride. Mr. and Mrs. Deiotte are now residing at 503 Liberty St., Marktown.

Bill Jones Receives 25-Year Emblem

Mr. and Mrs. William Jones and two of their grandchildren, Ellen, age 5½ years and Barbara, age 3½ years, on grandma's lap.

"I received my 25-year service emblem and it's a dandy," was Bill Jones' remark when he recently completed 25 years of service with the Company. Jones has been a turn foreman in the Rolling Mill Department for 20 years—and that's a big chore for any man.

The Jones family has resided in Gary for 17 years. Their son,

William T., is a roll turner in the Roll Shop Department here. They are home-loving people, like long motor trips through the country and are fond of picnic dinners during the summer months. Bill is a Cubs baseball fan—win or lose—and follows the Chicago Bears football team.

There are three grandchildren and Bill looks forward to the times he can spend with them.

Catlin Picture Shows Old Main Entrance

Do you remember when this was the main entrance to the Harbor Works? The picture was taken more than 20 years ago and is one of the historical pictures of the company in the collection of Ed Catlin, a member of Property Protection Department. The gate was closed May 24, 1928.
